An Heir For The Billionaire English Edition:

The Billionaire's Unexpected Heir Kathie DeNosky, 2009-10-01 Becoming the new owner of Hickory Hills Thoroughbred farm was not in billionaire Jake Garnier's plans. Becoming a father was even more unimaginable. For his new business came with one Heather McGwire, ranch manager and mother to Jake's secret child. After barely surviving his own father's desertion, Jake knew he couldn't walk away from his responsibilities. Marriage seemed the only solution. Yet Heather wouldn't settle for simple sweet talk and seduction. If Jake wanted a real family, he'd have to saddle up for the long ride.

It's Complicated (Her Billionaires #3) (Romantic Comedy) (Billionaire Romance) Julia Kent, From New York Times and USA Today Bestselling Author Julia Kent. Hot make out session. Check with the dreamy obstetrician. Check. While her best friend is in labor. Um, it's *Complicated*. Josie Mendham never meant to have her own radically different set of gasps and moans a few doors down from where her best friend Laura was giving birth. And stealing away with the obstetrician who was consulting on Laura's case certainly wasn't part of any birth plan. When Dr. Alex Derjian watched the foursome enter the labor ward, he did a doubletake: two dads? That defied biology as he knew it. Even more intriguing was the woman with the birthing mother and the fathers. Josie, the nurse he'd been watching from afar for months. One elevator kiss led to an on-call room soiree, and soon he was breaking every romantic rule in his playbook. Finding his way into her pants wouldn't be hard. But into her heart? That would be a challenge. *It's Complicated* is a complete standalone novel, but it also includes Laura, Mike, Dylan, Josie, and Madge from the New York Times bestseller *Her Billionaires*, as well as Darla, Trevor, and Joe from the New York Times bestseller *Random Acts of Crazy*, with Alex and Josie at the center of it all. Romantic Comedy meets new adult romance in this novel that asks whether people can get out of their own way and learn that love isn't easy, but it's always worth it. Billionaires and Stealth Politics

Benjamin I. Page, Jason Seawright, Matthew J. Lacombe, 2018-12-21 A look into the covert influence billionaires wield in American politics and the actions citizens can take to hold them more accountable In 2016 when millions of Americans voted for Donald Trump many believed his claims that personal wealth would free him from wealthy donors and allow him to drain the swamp But then Trump appointed several billionaires and multimillionaires to high level positions and pursued billionaire friendly policies such as cutting corporate income taxes Why the change from his fiery campaign rhetoric and promises to the working class This should not be surprising argue Benjamin I Page Jason Seawright and Matthew J Lacombe As the gap between the wealthiest and the rest of us has widened the few who hold one billion dollars or more in net worth have begun to play a more and more active part in politics with serious consequences for democracy in the United States Page Seawright and Lacombe argue that while political contributions offer a window onto billionaires influence especially on economic policy they do not present a full picture of policy preferences and political actions That is because on some of the most important issues including taxation immigration and Social Security billionaires have chosen to engage in stealth politics They try hard to influence public policy making large contributions to political parties and policy focused causes leading policy advocacy organizations holding political fundraisers and bundling others contributions all while rarely talking about public policy to the media This means that their influence is not only unequal but also largely unaccountable to and unchallengeable by the American people Stealth politics makes it difficult for ordinary citizens to know what billionaires are doing or mobilize against it The book closes with remedies citizens can pursue if they wish to make wealthy Americans more politically accountable such as public financing of political campaigns and easier voting procedures and notes the broader types of reforms such as a more progressive income tax system that would be needed to increase political equality and reinvigorate majoritarian democracy in the United States Praise for Billionaires and Stealth Politics Incredibly important The authors provide for the first time a clear sense of the politics and political activity of the top one hundred billionaires in America matching what billionaires have said with what they ve done and showing the troubling transparency gap that is critical to the evolution of policy Billionaires and Stealth Politics is a key addition to understanding our current political reality focused

on it most significant lever Lawrence Lessig author of America Compromised The wealth held by American billionaires exceeds the Gross Domestic Product of dozens of countries They exercise tremendous influence over society the economy and politics Yet their impact is not well understood Page Seawright and Lacombe have given us a compelling and original piece of work on an important topic Darrell M West Brookings Institution
