Alaana S Way Shadows:

Shadow Brigade Alesha Escobar,2024-10-31 Some say I have a death wish going against the most powerful witch alive But I have no choice in hunting down Ora Draper since her coven kidnapped my friend and turned him into a weapon If I don't rescue Lucas in time they'll use his powers to wipe humanity off the face of the planet I just want to defend my newfound family against the darkness Alanna and I are growing closer which means I'll do anything to protect her But it's hard to do so when she charges into battle with her magical sword the same sword Ora has spilled blood to reclaim But Alanna won't back down because fighting toe to toe against the witch means vengeance for her father If that weren't enough I have to keep an eye on Sal who plans to shift into a werewolf and take on the alpha of the Iron Wolves in a deadly duel Just wonderful Lucky for me I have backup this time We've just rebuilt the Shadow Brigade an elite team dedicated to fighting dangerous wizards However deep in the bowels of their secret prison is a psychic vampire chained to my mind Lilith is biding her time patiently waiting for me to make the tiniest misstep so she can destroy me and break free Despite our powerful enemies I know we will prevail Not only am I stubborn as hell but I have a loyal group of friends and magic from the gods on my side My only fear is that when the time comes to strike down Ora I may falter because despite her evil she is still a part of me The fate of the world may hang in the balance but so does the fate of my soul **In the Shadow of the Minster** Alanna Knight,2002

In From The Cold (Novella) Nora Roberts, 2014-11-18 A thrilling historical romance novella featuring the popular MacGregor family from 1 New York Times bestselling author Nora Roberts In from the Cold follows the MacGregors during the American Revolution Injured minuteman Ian MacGregor flees into the wilderness where he finds refuge for his body and soul with Irish spitfire Alanna Flynn

The Colonel Alanna Nash, 2014-06-01 Almost the only indisputable fact about Colonel Tom Parker is that he was the manager of the greatest performer in popular music Elvis Presley His real name wasn t Tom Parker indeed he wasn t an American at all but a Dutch immigrant called Andreas van Kujik And he certainly wasn t a proper military colonel he purchased his title from a man in Louisiana But while the Colonel has long been acknowledged as something of a charlatan this book is the first to reveal the extraordinary extent of the secrets he concealed and the consequences for the

career and ultimately the life of the star he managed As Alanna Nash prodigious research has discovered the Colonel left Holland most probably because at the age of twenty he bludgeoned a woman to death Entering the US illegally he then enlisted in the army as Tom Parker But with supreme irony for someone later styling himself as Colonel Parker s military career ended in desertion and discharge after a psychiatrist had certified him as a psychopath He then became a fairground barker working sideshows with a zeal for small scale huckstering and the casual scam that never left him And by the height of Elvis s success Parker had become a pathological gambler who at the same time as he was taking amazingly a full 50% of Presley s earnings frittered away all his wealth in the casinos of Las Vegas As Nash shows therefore the often baffling trajectory of Elvis Presley s career makes perfect sense once the secret imperatives of the Colonel s life are known Parker never booked Presley for a tour of Europe because of the dark secret that ensured he himself could never return there Even at his most famous Elvis was still being booked to play out of the way towns in North Carolina because the former fairground barker who shamelessly negotiated as such even with top record company and film executives knew them from his days on the circus circuit And Elvis was trapped playing years of arduous seasons in Las Vegas two shows nightly seven days a week until boredom and despair brought on the excessive drug use that killed him because for Parker he was an open chit whose huge earnings prevented his manager s losses at the gambling tables being called in Alanna Nash knew Parker towards the end of his life and has now uncovered the whole story improbable shocking and never less than compelling of how this larger than life man made and then unmade popular music s first and greatest superstar
