Reference and Information Services if it may still be referred to by this term is an evolving outreach service in libraries This is not only due to Google and the Internet but also other technological advances afford users online access to a plethora of content free and proprietary This evolution has also caused a shift in the theories and practices especially core functions and values of reference and information services as library schools seek greater alignment with practitioners and libraries on the forefront of these changes As academics and practitioners work together to educate library students on the kinds of changes happening in reference and information services they are rethinking their curriculum and assignments to incorporate real world challenges adaptive to user needs Likewise libraries may work through their regional library consortia to plan professional development workshops or training sessions to teach new skills and methods of approach required for such changing services Here s a tool for library school instructors library students professional development instructors and current librarians poised to change which specifically addresses the pedagogy of reference and information services in flux It will help answer questions such as How may we better educate a new and current generation of reference and information service professionals given the challenges they will likely encounter What kinds of assignments could be devised to better promote active learning in a transformative field like reference and information services What new approaches or theories could be applied to assist library professionals in meeting the informational needs of users *From Sin to Disease* Jonathan K. Okinaga,2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling *The Big Book of AA* and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse

has had on how churches approach what should be classified as a sin issue **The Therapist's Notebook Volume 3**
