**Jonathan Williams: Lord of Orchards** Jeffery Beam, Richard

Owens, 2017-09-12 Jonathan Williams' work of more than half a century is such that no one activity or identity takes primacy over any other: he was the seminal small press publisher of *The Jargon Society*, a poet of considerable stature, book designer, editor, photographer, legendary correspondent, literary art and photography critic and collector, early collector and proselytizer of visionary folk art, cultural anthropologist and Juvenalian critic, curmudgeon, happy gardener, resolute walker and keen and adroit raconteur and gourmand. Williams' refined decorum and speech and his sartorial style contrasted sharply yet pleasingly with his delight in the bawdy, with his incisive humor and social criticism and his confidently experimental masterful poems and prose. His interests raised the common to grace while paying close attention to the earthy. At the forefront of the Modernist avant garde yet possessing a deep appreciation of the traditional, Williams celebrated, rescued and preserved those things he described as more and more away from the High Art of the city, settling for what he could unearth and respect in the tall grass. Subject to much indifference despite being celebrated as publisher and poet, he nurtured the nascent careers of hundreds of emerging or neglected poets, writers, artists and photographers. Recognizing this, Buckminster Fuller once called him our Johnny Appleseed. Guy Davenport described him as a kind of polytechnic institute, while Hugh Kenner hailed *Jargon* as the Custodian of Snowflakes and Williams as the truffle hound of American poetry. Lesser known for his extraordinary letters and essays and his photography and art collecting, he is never only a poet or photographer, an essayist or publisher. This book of essays, images and shouts aims to bring new eyes and contexts to his influence and talent.

as poet and publisher but also heighten appreciation for the other facets of his life and art One might call Williams life a poetics of gathering and this book a first harvest
