any chance of a future with Harrison They've been raised in two very different worlds and the secrets they both hide can only lead to disaster There is only one chance to make it right and one misstep could be fatal Your Eyes Don't Lie is a story about facing fears sacrificing for those you love and about a girl who thinks she isn't worth loving and a guy who knows she is

Hearts Never Lie Lily's House Book 4 Some Secrets Aren't Meant to be Shared Caring for the animals at Safe Haven Exotic Wildlife Sanctuary has filled the holes in Zoey Morgan's life and soothed the memories that haunt her It helps that she works with Stephen Carey whose uncle owns the sanctuary and Declan Walker who is as wild and untouchable as the animals they help When a storm hits flattening buildings and flooding roads the sanctuary goes into lockdown Zoey learns that her younger sister is lost in the storm and she will risk anything to find her So will the man who loves her if she'd let him Can he slip past the walls Zoey has built to hide her secrets All Ruth wanted was to open a little cafe and do what she does best but the price tag is years out of reach Then a not so chance meeting with a gorgeous photographer and help from her hodgepodge family might just put the goal in reach Except now both her future and her heart are at risk will the cost be too high A blind date gone wrong is not the way Bianca would have chosen to celebrate the news that she might be losing her business but saying no to the sister who took care of her after their mother's death proves impossible So for one date one torturous evening she'll endure the company of an infuriating heartless man she has no intention of ever seeing again She doesn't expect her heart to have other plans Sometimes the unexpected is not only what you need it's exactly what you've been waiting for all along You first met Zoey Ruth and Bianca as runaway teens in House Without Lies Now they are all grown up and finding love in this intertwined three story romance

REVIEWS Oh my goodness How loved Zoey's place What a wonderful read The characters were vivid and real Both Zoey and Declan had endured some of life's worst tragedies perpetrated upon them by other people My heart ached for them Rachel however wrote them with no self pity but mature having overcome their hard pasts BRAVO Rachel People write about too many self pitying characters thank you for resisting the temptation Oh in addition it was a wonderful sweet love story ENJOY Rainwater House Without Lies is a clean contemporary romance with a satisfying ending no cliffhanger Feel good romantic book that lifts while at the same time addressing serious issues and deeper family connections You will love Lily and her girls There are sequels that tell the stories of other characters connected with Lily's House As one reviewer says these are Ideal for fans of Robyn Carr Mariah Stewart Sherryl Woods and Susan Wiggs

EDITORIAL REVIEW Readers seeking inspirational women's stories with a broader focus than relationship building moments will find House Without Lies just the ticket It's filled with many different characters and diverse circumstances but the overall plot holds true to its intentions and presents a vivid story made all the more immediate by Rachel Branton's choice of using the first person to capture Lily's daily life and feelings Lily's accustomed to fighting for others can she fight for herself as well An engrossing read it's also a pleasure to add a note that while House Without Lies is part of a series it's actually a fine stand alone story that neatly concludes its plot Readers will want more but won't be
