Advertising For Love:

Advertising for Love David P. Kronheim, 2000-05-30 Personal ads are today's singles bars. More people than ever are finding dates and mates from the personals. ADVERTISING FOR LOVE teaches singles how to use personal ads more effectively. ADVERTISING FOR LOVE by David Kronheim is a light-hearted journal covering one year of the author's search for a wife through the personal ads, dating services, and matchmakers. It features many humorous anecdotes along with some touching stories. This book has a very upbeat and cheerful tone. It shows that if you have a positive attitude and a good sense of humor, using personal ads and dating services can be a rewarding experience despite the occasional date from hell. There is a section offering advice on writing your own ad, responding to ads, and meeting safely. David Kronheim's writing on personal ads and singles issues has been published in *New York Magazine* and in various newspapers. He has also been host of a radio program for singles.

Can't Buy My Love Jean Kilbourne, 2012-06-26 When was the last time you felt this comfortable in a relationship? An ad for sneakers: You can love it without getting your heart broken. An ad for a car: Until I find a real man, I'll settle for a real smoke. A woman in a cigarette ad. Many advertisements these days make us feel as if we have an intimate, even passionate relationship with a product. But as Jean Kilbourne points out in this fascinating and shocking exposé, the dreamlike promise of advertising always leaves us hungry for more. We can never be satisfied because the products we love cannot love us back. Drawing upon her knowledge of psychology, media, and women's issues, Kilbourne offers nothing less than a new understanding of a ubiquitous phenomenon in our culture. The average American is exposed to over 3,000 advertisements a day and watches three years' worth of television ads over the course of a lifetime. Kilbourne paints a gripping portrait of how this barrage of advertising drastically affects young people, especially girls, by offering false promises of rebellion, connection, and control. She also offers a surprising analysis of the way advertising creates and then feeds an addictive mentality that often continues throughout adulthood.

Boys Love Media in Thailand Thomas Baudinette, 2023-10-05 Over the past several years, the Thai popular culture landscape has radically transformed due to the emergence of Boys Love (BL) soap operas, which celebrate the love between handsome young men. *Boys Love Media in Thailand: Celebrity Fans and Transnational Asian Queer Popular Culture* is the first book-length

study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL s impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand s BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures

Roughing it in the Suburbs Valerie J. Korinek,2000-12-15 Originally launched in 1928 by the 1950s and 1960s nearly two million readers every month sampled Chatelaine magazine s eclectic mixture of traditional and surprisingly unconventional articles and editorials At a time when the American women s magazine market began to flounder thanks to the advent of television Chatelaine s subscriptions expanded as did the lively debate between its pages Why In this exhilarating study of Canada s foremost women s publication in the 50s and 60s Valerie Korinek shows that while the magazine was certainly filled with advertisements that promoted domestic perfection through the endless expansion of consumer spending a number of its sections including fiction features letters and the editor s column began to contain material that subversively complicated the simple consumer recipes for affluent domesticity Articles on abortion spousal abuse and poverty proliferated alongside explicitly feminist editorials It was a potent mixture and the mail poured in both praising and criticizing the new directions at the magazine It was Chatelaine s highly interactive and participatory nature that encouraged what Korinek calls a community of readers readers that in their very response to the magazine led to its success Chatelaine did not cling to the stereotypical images of the era instead it forged ahead providing women with a variety of images ideas and critiques of women s role in society Chatelaine s dissemination of feminist ideas laid the foundation for feminism in Canada in the 1970s and after Comprehensive fascinating and full of lively debate and history *Roughing it in the Suburbs* provides a cultural study that

weaves together a history of Chatelaine's producer's consumers and text. It illustrates how the structure of the magazine's production and the composition of its editorial and business offices allowed for feminist material to infiltrate a mass market women's monthly. In doing so, it offers a detailed analysis of the times, the issues, and the national cross section of the women and sometimes men who participated in the success of a Canadian cultural landmark. Winner of the Laura Jamieson Prize awarded by the Canadian Research Institute for the Advancement of Women. Motivational Marketing Robert Imbriale, 2007-06-02. Why Do People Buy Anyway? Every businessperson, sales professional, advertising copywriter should be endlessly exploring this question. Sadly, few do. Instead, most stay stubbornly focused on the question of how can we make them buy our thing. And sadly, most training remains focused on selling. We are all better served pondering the psychology of the buyer rather than the techniques and tactics of selling. That's what Robert Imbriale has done in Motivational Marketing. This book is a valuable exercise in being about the customer. From the Foreword by bestselling author Dan S. Kennedy.

Reason and Beyond Darrell Morley Price, 2019-06-28. An unflinchingly honest commentary on modern life: death, love, fear, spirituality, belief, meaning, and purpose. It offers a blend of poetry and prose essays covering a broad range of themes, penetrating deeply to the how and why of what we think while offering an uplifting perspective that can help restore a sense of life's meaning and purpose in an age that seems to have forgotten both. Spiritual life and its perspective, critical commentary on modern civilization, philosophical and psychological inquiry into reason, knowledge, thinking, belief, the nature of mind, the examination of love and fear, and their critical role in human life, and the universal meaning and purpose of life itself. Each theme reappears again and again throughout the book, and many questions are posed to the reader around the various themes.
