African American Literature Paper:

African American Literature Before 1920 Samirawit Hailemarimam, 1999 The Origins of African American Literature, 1680-1865 Dickson D. Bruce, 2001-11-29 From the earliest texts of the colonial period to works contemporary with Emancipation African American literature has been a dialogue across color lines and a medium through which black writers have been able to exert considerable authority on both sides of that racial demarcation Dickson D Bruce argues that contrary to prevailing perceptions of African American voices as silenced and excluded from American history those voices were loud and clear Within the context of the wider culture these writers offered powerful widely read and widely appreciated commentaries on American ideals and ambitions The Origins of African American Literature provides strong evidence to demonstrate just how much writers engaged in a surprising number of dialogues with society as a whole Along with an extensive discussion of major authors and texts including Phillis Wheatley s poetry Frederick Douglass s Narrative Harriet Jacobs Incidents in the Life of a Slave Girl and Martin Delany s Blake Bruce explores less prominent works and writers as well thereby grounding African American writing in its changing historical settings The Origins of African American Literature is an invaluable revelation of the emergence and sources of the specifically African American literary tradition and the forces that helped shape it The Theme of Racial Passing in African American Literature. A Strategy to Overcome Obstacles and Gain Social Acceptance? Julia C. Hartenbach, 2018-10-04 Seminar paper from the year 2016 in the subject English Language and Literature Studies Literature grade 1.3 University of Freiburg course Hauptseminar African American Literature language English abstract In this paper I will examine the theme of racial passing in African American narratives more closely by defining the term passing more explicitly and by giving a brief overview of the historical circumstances that led light skinned African Americans to pass as white Subsequently I will focus on how racial passing is represented in literature written by African American authors Therefore I chose two novels that are commonly considered to be quintessential texts dealing with the phenomenon of racial passing namely James Weldon Johnson s The Autobiography of An Ex Colored Man and Nella Larsen s Passing I will argue that the process of racial passing is an ongoing one proceeding in three stages **Blues, Ideology, and Afro-American Literature** Houston A. Baker (Jr.), 1987-02-15 Relating the blues to American social and literary history and to Afro American expressive culture Houston A Baker Jr offers the basis for a broader study of American culture at its vernacular level He shows how the blues voice and its economic undertones are both central to the American narrative and characteristic of the Afro American way of telling it **A Companion to African American Literature** Gene Andrew Jarrett, 2013-05-06 Through a series of essays that explore the forms themes genres historical contexts major authors and latest critical approaches A Companion to African American Literature presents a comprehensive chronological overview of African American literature from the eighteenth century to the modern day Examines African American literature from its earliest origins through the rise of antislavery literature in the decades leading

into the Civil War to the modern development of contemporary African American cultural media literary aesthetics and political ideologies Addresses the latest critical and scholarly approaches to African American literature Features essays by leading established literary scholars as well as newer voices

Reading Contemporary African American Literature Beauty Bragg, 2014-11-12 Reading Contemporary African American Literature focuses on the subject of contemporary African American popular fiction by women Bragg's study addresses why such work should be the subject of scholarly examination describes the events and attitudes which account for the critical neglect of this body of work and models a critical approach to such narratives that demonstrates the distinctive ways in which this literature captures the complexities of post civil rights era black experiences In making her arguments regarding the value of popular writing Bragg argues that black women's popular fiction foregrounds gender in ways that are frequently missing from other modes of narrative production They exhibit a responsiveness and timeliness to the shifting social terrain which is reflected in the rapidly shifting styles and themes which characterize popular fiction In doing so they extend the historical function of African American literature by continuing to engage the black body as a symbol of political meaning in the social context of the United States In popular literature Beauty Bragg locates a space from which black women engage a variety of public discourses

African American Literature in Transition, 1830-1850: Volume 3 Benjamin Fagan, 2021-05-13 This volume charts the ways in which African American literature fosters transitions between material cultures and contexts from 1830 to 1850 and showcases work that explores how African American literature and lived experiences shaped one another Chapters focus on the interplay between pivotal political and social events including emancipation in the West Indies the Irish Famine and the Fugitive Slave Act and key African American cultural productions such as the poetry of Frances Ellen Watkins Harper the writings of David Walker and the genre of the Slave Narrative Chapters also examine the relationship between African American literature and a variety of institutions including the press and the post office The chapters are grouped together in three sections each of which is focused on transitions within a particular geographic scale the local the national and the transnational Taken together they offer a crucial account of how African Americans used the written word to respond to and drive the events and institutions of the 1830s 1840s and beyond
