Commission,2014-12-11 The Doctrine and Discipline of the AME Zion Church 2012 is the Book of Discipline for this 218 year old denomination Based upon the original tenets of Wesleyan theology and doctrine and under girded by its founders of African birth the churchs mission is to promote freedom and liberty to the lost and disenfranchised Centennial Encyclopaedia of the African Methodist Episcopal Church Richard Robert Wright,1916 The African Methodist Episcopal Church Dennis C. Dickerson,2020-01-09 Explores the emergence of African Methodism within the black Atlantic and how it struggled to sustain its liberationist identity *Reclaiming African American Students: Legacies, Lessons, and Prescriptions* Mildred L. Rice Jordan,2017-05-09 This book gives an intimate look into the history of an African American National Historic Site that was located in Bordentown New Jersey It was known by many names Manual Training and Industrial School for Colored Youth M T I S or the Tuskegee of the North Most commonly however it was called just the Bordentown School Bordentown was founded in 1886 by an ex slave Walter Allen Simpson Rice Afer serving in the Civil War Rice came north and became affiliated with the African Methodist Episcopal Church A M E Seeing great promise in him the church sent him to seminary to become a minister Rice dreamed of uplifting his people but had limited resources with which to make his dreams a reality However he did have great faith in God and his faith inspired him to start a boarding school With only eight colored students he began his school in an old frame house He did not live to see this school become one of the nest institutions of learning for colored high school youth in the northeast However Reverend Rice and the principals who followed him have legacy behind a legacy which has invaluable lessons and great potential for developing educational prescriptions which will at their foundation give all black students a culturally affirming culturally relevant education This book clearly states that no matter how complicated and technologically sophisticated our Society becomes the Bordentown Schools philosophy policies and practices can still be a model which can be adapted for Reclaiming African American Students in the 21st Century
