
AFRIKAANS ESSAY ON MY BEST FRIEND

OPSTEL – MY BESTE VRIENDE

'n skouer om te huil, 'n oor om te buig, geld te leen, klere te leen, vrydagaand films, saamwees, ons privaat gesprekke, herstel ons harte, huil die trane, beplan ons toekoms, ons herinneringe saam, mag hulle nooit 'n einde, altyd saam vriende vir ewig.

Ek het baie vriende, maar daar is net twee wat my ware beste vriendinne is, Ashley en Deondre.

Ek dink Ashley my ware vriendin is want daar was 'n tyd wanneer ek haar nodig, 'n steunpilaar en sy was daar vir my. Sy luister altyd na my probleme en gee my raad. Ons is altyd daar vir mekaar deur dik en dun. Ashley is 'n baie vriendelik, hulpvol, gelukkig en pragtige sestionjarige meise. Sy is 'n baie goeie vriend vir my. Sy is soos my engel en kyk op vir my altyd.

Deondre is altyd 'n goeie vriendin. Sy is altyd sorgeloos, daar is altyd 'n glimlag op haar gesig. Sy is die 'joker' in ons groep. Sy altyd my opgehef wanneer ek af is. Deondre is 'n baie mooi-like, vriendelik, gawe, toegeneë sewentienjarige meisie. Sy maak altyd my dag, sy is die beste en ek is baie lief vir my prinses.

Ashley en Deondre is die meeste soetste en mooiste meisies in die wêreld. Hulle is 'n goeie invloed, 'my groot susters'.

Hierdie is my twee skoonheid vriende. Ek sal nie gelukkig sonder hulle wees nie. Hulle is my vriende vir lewe. Ons verhouding sal nooit gebreek word nie.

Homeschooling High School Shirley Erwee, 2014-08-28 Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeshooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond *Pondering Life Issues / Gedagtegange* Chris Jones, 2022-09-23 Over the past seven years the author has written several articles for the media often on request This volume comprises the most important of these articles The first 50 articles Part 1 appear in English and the last 39 Deel 2 in Afrikaans The footnotes indicate who published the specific article and when The latter is important because it puts each article in context Sometimes the content in this volume differs slightly from that which has appeared in the media Some of the articles have also been published by other than the indicated media platform daily newspaper but they are not mentioned here There are some themes that overlap in English and Afrikaans but are not direct translations of each other More than one article has been written on certain themes and some articles were co authored with colleagues as indicated in the footnotes *If Trees Could Speak* Shirley Gunn, 2007 *Reviews of National Policies for Education: South Africa 2008* OECD, 2008-09-05 Gives a brief overview of regional issues and the history of education in South Africa and describes the development of education in the country over the past 15 years It presents an analysis of the education system identifying key directions for **English Quarterly**, 2005 Curriculum Studies in South Africa W. communications technologies the fact that issues of space have not been taken up seems more than an oversight This relative lack of interest in space becomes even more surprising when one considers the extensive use of spatial metaphors in the discussion of education and pedagogy For instance the notions of open distance and distributed learning and student centredness border crossing and communities of practice all have a spatial dimension to them Notions of a spiral curriculum act as a spatial imaginary Indeed some metaphors such as flexibility seem to be suggestive of the possibility that all constraints of space and time can be conquered in the provision of learning opportunities throughout life This collection of chapters from researchers around the world attempts to address these issues to examine the significance of space for curriculum learning and identity

Black South African English the variety of English used by mother tongue speakers of South Africa s indigenous languages has received considerable attention during the last two decades However so far most of the accounts of this variety have been only qualitative in nature This book reports on one of the first studies offering extensive quantitative analyses of four typical features of Black South African English grammar omission of past tense marking extended use of the progressive aspect article omission and use of left dislocation Drawing on a corpus of spoken data the study s focus lies on the investigation of the stability of the selected features and hence aims to ascertain which of these are characteristic of Black South African English as a whole Speakers exhibiting differing levels of competence in English are compared It is shown that the analysed features are used by speakers of Black South African English regardless of their proficiency level but at the same time there are considerable differences concerning the frequency of occurrence of these features
