Britain By studying the situation on the ground Claire Andrieu shows how these encounters reshaped societies at a local level She reveals how the fall of France in 1940 may have concealed an insurrection nipped in the bud that the People s War in Britain was not merely a myth and that in Germany the racial community of the people had in fact become a social reality with Allied airmen increasingly subjected to lynching from 1943 onwards By considering why the treatment of these airmen contrasted so strongly in these countries Andrieu sheds new light on how civilians reacted when confronted with the war at home

Kathlamet Texts Franz Boas, 1901      If the Sky Falls Nicholas Montemarano, 2005-10-01 *If the Sky Falls* is the debut short story collection from award winning fiction writer Nicholas Montemarano. These eleven stories show why Jayne Anne Phillips has called Montemarano an American stylist capable of redeeming our darkest dreams. Redemption in these intense and sometimes violent stories is found in the lyrical prose in the act of storytelling itself. A young man tries to rescue his sister from her abusive lover and in the process must revisit his own family's violent history. Note to Future Self a home healthcare worker pops pills and takes two men with cerebral palsy to a strip club. The Usual Human Disabilities a man has a breakdown years after witnessing a brutal murder and doing nothing to help the victim. The Other Man In The November Fifteen a man is taken from his home and tortured though he has no idea why when he returns home he finds a different kind of torture awaiting him. Two of the stories *Shift* and *the Pushcart Prize* winning *The Worst Degree of Unforgivable* are stylistic tours de force. But style in this collection is always at the service of story. Montemarano's fiction maintains that rare balance between traditional storytelling and experimentation his work is innovative without being flashy sincere without being sentimental. In an age of hype *If the Sky Falls* truly is the real thing an original and important achievement in the short story form.
