*African Cuisine Techniques* Ophelia Grey, AI, 2025-02-18 African Cuisine Techniques explores the core cooking methods and ingredient preparations that define the diverse flavors of African cuisine. It moves beyond simply providing recipes, instead focusing on techniques like pan frying, steaming, grilling, and the creation of flavorful sauces using staple foods such as cassava, yams, and plantains. The book argues that mastering these foundational techniques is key to truly understanding and recreating authentic African dishes, highlighting how centuries of agricultural practices and cultural exchanges have shaped these culinary traditions. The book systematically builds knowledge by first exploring key ingredients and their regional significance. It then dedicates chapters to specific cooking methods, offering detailed explanations and examples from across North, East, Central, Southern, and West Africa. Finally, it examines the crucial role of spices, herbs, and flavor combinations. This approach empowers readers to adapt, innovate, and appreciate the rich cultural heritage embedded in African flavors.

A one-of-a-kind recipe chronicle of Dale Gray's life in the south, from South Africa to South Korea to the American South. *South of Somewhere* is a unique culinary tour of beloved food blogger Dale Gray's life to date. Her journey goes way back to South Africa on the outskirts of Cape Town. Dale grew up with a close-knit family who has resided in her hometown for generations, but it's almost impossible to encapsulate her heritage in a few words. She describes the people of South Africa as a product of centuries of colonization, enslavement, apartheid, and intermarriage between people from Asia, Africa, and Europe, now compromising a colorful blend of Eastern, Western, and African heritage. After growing up in South Africa, Dale taught English for six years in South Korea and she later moved to the American South where she resides now with her husband. The result of her travels is a one-of-a-kind cookbook with dishes including Porch Party Shrimp with Mississippi Comeback Sauce, Salmon Ssam Feast, and Garlic Peri Peri Roast Chicken. Dale Gray is best

known for creating delicious dinner recipes for her blog and Instagram that look as good as they taste but this book delves far deeper into her story and food with delicious creations like these and more which you ll return to time and time again
