

OUMA VERWERF HAAR MEESTERSGRAAD

Notozi Jennifer Mgobozi is 'n 75-jarige ouma van vyf (5.1.1) (kleinkinders). Sy het in (5.1.2) (November) 2021 haar meestersgraad in onderwys aan die Walter Sisulu Universiteit behaal. Sy sê dit was (5.1.3) (maklik), maar beslis die moeite werd. Haar familie én ander mense is baie trots (5.1.4) (...) haar.

Jennifer is al (5.1.5) (baie) as 40 jaar lank betrokke by onderwys. Sy werk by NECT, wat probeer (5.1.6) (onderwys in SA verbeter). (5.1.7) (Sy doen juis haar navorsing oor NECT se program vir Engels as EAT). Sy sal (5.1.8) (bly) wees as haar navorsing 'n positiewe effek op onderwys het; veral in die landelike gebiede. 5

Jennifer sê studies en opleiding het (5.1.9) (iets met ouderdom te doen). Sy sê daar is nou baie (5.1.10) (geleentheid). As jy (5.1.11) (dus/dis) kan, moet jy dit doen. Daarom is sy nie van plan om gou af te tree nie. Inteendeel! (5.1.12) (Sy wil verwerf met lof haar doktorsgraad volgende jaar). 10

Jennifer is 'n (5.1.13) (inspireer) vir ander. Sy het bewys: (5.1.14) Waar 'n wil is is 'n weg! 15

Afrikaans Past Year Paper2 November 2013 For Paper2:

Urban Water Reuse Handbook Saeid Eslamian, 2016-01-05 Examining the current literature research and relevant case studies presented by a team of international experts the *Urban Water Reuse Handbook* discusses the pros and cons of water reuse and explores new and alternative methods for obtaining a sustainable water supply The book defines water reuse guidelines describes the historical and current *Assessing Academic Literacy in a Multilingual Society* Albert Weideman, John Read, Theo du Plessis, 2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience

A Handbook on Legal Languages and the Quest for Linguistic Equality in South Africa and Beyond Zakeera Docrat, Russell H Kaschula, Monwabisi K Ralarala, 2021-06-02 A Handbook on Legal Languages and the Quest for Linguistic Equality in South Africa and Beyond is an interdisciplinary publication located in the discipline of forensic linguistics language and law This handbook includes varying comparative African and global case studies on the use of language s in courtroom discourse and higher education institutions Kenya Morocco Nigeria Australia Belgium Canada and India These African and global case studies form the backdrop for the critique of the monolingual English language of record policy for South African courts the core of this handbook discussed in relation to case law and the beleaguered legal interpretation profession This handbook argues that linguistic transformation and decolonisation of South Africa s legal and higher education systems needs to be undertaken where legal practitioners are linguistically equipped to litigate in a bilingual multilingual courtroom that enables access to justice for the majority of African language speaking litigants enforcing their constitutional language rights

The Handbook of Social Work and Social Development in Africa Mel Gray, 2016-10-26 All recent books on international social work mention Africa only briefly and few engage with the broader field of development studies This book focuses solely on the unique African context engaging with issues relating to social work and development more broadly thus enabling a deeper examination and more complex and nuanced picture to emerge Unlike most academic works this book highlights multiple practitioner voices with authors or co authors that have recently been or are currently practising social workers As an edited book it draws from both academic research as well as lived practice experience supported by strong theoretical positioning and guidance in introductory chapters drawing on African

literature wherever possible Looking at case studies from Lesotho Botswana Kenya Zimbabwe Ethiopia Namibia Uganda Nigeria Kenya South Africa Rwanda Zambia and Tanzania and covering established areas of practice such as child protection working with older people working with people with disabilities mental health and mainstream services targeting women as well as emerging areas of developmental social work practice such as humanitarian assistance in post conflict situations work with immigrants and refugees and the training of community based workers this book takes a future oriented perspective that aims to move beyond well worn critiques to envision constructive and sustainable futures for social work and social development in Africa from a critical perspective

Dare Not Linger Nelson Mandela, Mandla Langa, 2017-10-24 A memoir of Mandela's time in office as the first president of a democratic South Africa completed and expanded with his personal notes and speeches I have discovered the secret that after climbing a great hill one only finds that there are many more hills to climb I have taken a moment here to rest to steal a view of the glorious vista that surrounds me to look back on the distance I have come But I can rest only for a moment for with freedom comes responsibilities and I dare not linger for my long walk is not ended In 1994 Nelson Mandela became the first president of a democratic South Africa From the outset he was committed to serving only a single five year term During his presidency he and his government ensured that all of South Africa's citizens became equal before the law and he laid the foundation for turning a country riven by centuries of colonialism and apartheid into a fully functioning democracy Dare Not Linger is the story of Mandela's presidential years drawing heavily on the memoir he began to write as he prepared to leave office but was unable to finish Now the acclaimed South African writer Mandla Langa has completed the task using Mandela's unfinished draft detailed notes that Mandela made as events were unfolding and a wealth of unseen archival material With a prologue by Mandela's widow Gra Machel the result is a vivid and often inspirational account of Mandela's presidency and the creation of a new democracy It tells the story of a country in transition and the challenges Mandela faced as he strove to make his vision for a liberated South Africa a reality Underneath the history that has been made there is a human being who chose hope over fear progress over the prisons of the past Even as he became a legend to know the man Nelson Mandela is to respect him even more Barack Obama A rare human being who in freeing himself of his demons also became free to give his extraordinarily leadership to his country and the world Bill Clinton A critically important document as the principal firsthand record of Mandela's tumultuous time in office and the often ingenious measures he took to bring about peace the book contains many such practical lessons in governance Essential to students of Mandela's political career as well as of modern African history Kirkus Reviews

National Identity and State Formation in Africa Manuel Castells, Bernard Lategan, 2021-03-16 This book examines how the interplay between globalization and the assertion of local identities is reshaping the political landscape of Africa While defending their values against external forces people simultaneously and paradoxically use the interconnectivity of global networks to maximize their particular interests Focusing on the relation between national identity and state formation

the authors explore the far reaching consequences of these contradictory dynamics Although Africa shares many common trends with other parts of the world it also displays distinctive features A region characterized by the increased mobility of people goods and ideas challenges some conventional assumptions of statecraft and also highlights the advantages of federalism not merely as a constitutional option but as a pragmatic device for managing diversity and holding fragile states together The book further explores emerging types of state formation in the same political space as exemplified by the combination of elements of a kingdom an independent state and a national power base in the province of KwaZulu Natal and the careful crafting of an alternative state within a state by the Solidarity Movement in South Africa Informed by examples and case studies drawn from different parts of Africa this book will be of great interest to students and scholars of Africa politics sociology media studies and the social sciences more generally

Pillars of Salt Lianne Merkur, 2019-11-04 In **Pillars of Salt** Lianne Merkur offers an account of early 21st century immigration as experienced by Israelis in Berlin and Toronto Commonly portrayed as contrary to the territorial emphasis of national integrity these individuals and communities appear to explore a sense of belonging that evaluates and incorporates both foreign and familiar elements Social media allows for an alternative space to balance between new home and homeland studied here as developing simultaneously in multiple sites The author makes use of innovative methodologies to document the participants own perspectives expressed online at events or on paper She thereby challenges established norms of interpretation to prove that personal decisions primarily regarding preferred language or simply self identification are the cornerstones of collective character

Education and Training colleges and universities **German as Contact Zone** Russell West-Pavlov, 2019-09-09 This book suggests that linguistic translation is one minute province of an immense process of creative activity that constitutes the world as an ongoing dynamism of unceasing transformation Building upon the speculative quantum gravity theory which provides a narrative of the push pull dynamics of transformative translation from the very smallest scales of reality to the very greatest this book argues that the so called translative turn of the 1990s was correct in positing translation as a paradigmatic concept of transformation More radically the book stages a provocative provincialization of linguistic translation so that literary translation in particular is shown to display a remarkable awareness of its own participation in a larger creative contact zone As a result the German language literary translations in and out of German and the German language classroom can be understood respectively as quantum contact zones Russell West Pavlov is Professor of Anglophone Literatures at the University of Tbingen and Research Associate at the University of Pretoria What are (Un)Acceptability and (Un)Grammaticality? Language and Identity in a Multilingual, Migrating World , 2023-02-20 Multilingualisms vary Given such variation how can those from essentially mono chromatic monolingual backgrounds begin to appreciate the colorful multilingual realities of the majority world This question led to the symposium Language and Identity in a Multilingual Migrating World May 10 15 2018 in Penang Malaysia This resulting four part collection of papers J Stephen Quakenbush **Hydropolitics, Interest Groups and Governance** Richard Meissner, 2016-06-17 This book investigates the role that interest groups have played over the years in influencing the government of Namibia the World Bank the European Union and project implementation authorities to not construct the proposed Epupa Hydroelectric Power Station on the Kunene River in the Baynes mountains a region on the border between Namibia and Angola Some of the issues brought forward by the interest groups are the socio economic impact the dam would have on the OvaHimba as well as negative consequences for the river s aquatic and terrestrial environment This book argues that interest groups and individuals have the ability to influence the above

mentioned institutions and to such an extent that water politics and governance are not exclusively the domain of state institutions. As such it argues that communal interest groups living in remote parts of the world can influence state institutions at various political scales. *Shallow Equality and Symbolic Jurisprudence in Multilingual Legal Orders* Janny H.C. Leung, 2019-01-28. What challenges face jurisdictions that attempt to conduct law in two or more languages? How does choosing a legal language affect the way in which justice is delivered? Answers to these questions are vital for the 75 officially bilingual and multilingual states of the world as well as for other states contemplating a move towards multilingualism. Arguably such questions have implications for all countries in a world characterized by the pressures of globalization, economic integration, population mobility, decolonization and linguistic re-colonization. For lawyers addressing such challenges is made essential by the increased frequency and scale of transnational legal dealings and proceedings as well as by the lengthening reach of international law. But it is not only policy makers, legislators and other legal practitioners who must think about such questions. The relationship between societal multilingualism and law also raises questions for the burgeoning field of language and law which posits among other tenets the centrality of language in legal processes. In this book Janny H.C. Leung examines key aspects of legal multilingualism. Drawing extensively on case studies she describes the implications of the legal practical and ideological dilemmas encountered in a given country when it becomes bilingual or multilingual, discussing such issues as how legal certainty and the linguistic ideology of authenticity may be challenged in a multilingual jurisdiction, how courts balance the language preferences of different courtroom participants and what historical, socio-political and economic factors may influence the decision to cement a given language as a jurisdiction's official language. Throughout Leung elaborates a theory of symbolic jurisprudence to explore common dilemmas found across countries despite their varied political and cultural settings and argues that linguistic equality as proclaimed and practiced today is a shallow kind of equality. Although officially multilingual jurisdictions appear to be more inclusive than their monolingual counterparts they run the risk of disguising substantive inequalities and displacing real efforts for more progressive social change. This is the first book to offer overarching discussion of how such issues relate to each other and the first systematic study of legal multilingualism as a global phenomenon. *Kaaps in Fokus* Frank Hendricks, Charlyn Dyers, 2016-11-01. Kaaps as Afrikaanse omgangsvariëteit word deur verskillende outeurs vanuit diverse invalshoeke betrag. Die boek beslaan nege hoofstukke in twee afdelings wat onderskeidelike die taalkundigheid en die kontekstuele gebruik van Kaaps bekijk. Dis gebaseer op referate wat gelewer is by die eerste simposium oor Kaaps in 2012. Kaaps word in die boek voorgestel as 'n waardige, talig, genuanseerde en lewenskragtige vorm van Afrikaans. Die ekonomiese potensiaal van Kaaps en die benutting daarvan as onderwys- en joernalistieke medium word ook bespreek. **Bibliography of Agriculture**, 1947.
