Swell Jill Eisenstadt,2017-06-06 Thirty years after From Rockaway A great first novel Harper's Bazaar Jill Eisenstadt returns with a darkly funny new work of fiction that exposes a city and a family at their most vulnerable When Sue Glassman's family needs a new home Sue relents after years of resisting and agrees to convert to Judaism In return Sue's father in law Sy buys the family Sue Dan and their two daughters a capacious but ramshackle beachfront house in Rockaway Queens a world away from the Glassmans cramped Tribeca apartment The catch Sy is moving in too And the house is haunted On the weekend of Sue's conversion party ninety year old Rose who literally got away with murder on the premises years earlier shows up uninvited Towing a suitcase sized pocketbook having escaped an assisted living facility in Forest Hills

Rose seems intent on moving back in Enter neighbor Tim formerly Timmy see From Rockaway a former lifeguard former firefighter and reformed alcoholic who feels for reasons even he can't explain inordinately protective of the Glassmans The collective nervous breakdown occasioned by Rose's return swells to operatic heights in a novel that charms and surprises on every page as it unflinchingly addresses the perils of living in a world rife with uncertainty

The Greater Fool: Brad
Gobright and the Blinding Shine of Originality Lucas Roman, 2022-11-17 For as long as stories have been told we've had a peculiar fascination with the wayward among us with those we call the fools Our histories are flush with those who stand at the edge of reason of those who see what others cannot Among the archetypes the Greater Fool holds a most special place within the canon Standing there unphased after the dust and the punchlines settle the Greater Fool is the one who hangs on when all others let go the one who turns into the storm when all common sense and foot traffic points the other way Where the world around them sees only an empty promise the Greater Fool maintains there is yet worth to be discovered still Intrepid and unwitting as they may be they're also the ones we need As irony would have it in every Greater Fool there's just enough magic to pull us back in their direction Just enough light for truth to shine an arc of redemption This is the story of Brad Gobright one such anomaly who shined for us all a most special and unending light
