destined for an acting career in Hollywood but couldn t escape the nagging feeling that the limelight would never be enough after all neither was baseball stardom stand up comedy or the thrill of surfing No matter his pursuit he was always haunted by the reality that booking the part winning the award or catching the perfect wave you name it would never quite satisfy him In Aching for Greatness Discover God s Love in the Restless Search for More Kalina shares how his restless search for more led him to the realization that God is the only one who can ever truly fulfill the longings in his heart Kalina didn t change everything about his life overnight but he did commit to giving Jesus a real chance going all in and no longer walking with one foot in and one foot out Inspired by the early Christians after Pentecost the men and women who devoted themselves to the apostles teaching and fellowship to the breaking of bread and the prayers Acts 2 42 Kalina shares how these four spiritual practices became a model for developing intimacy with Jesus Learning about faith Finding healthy fellowship Embracing the sacraments Spending time in prayer Chances are this restless search for more is something you

can relate to something you've experienced in your own life. When those empty feelings lead you to ask, "Why do I feel so alone? Why don't I feel fulfilled?" Kalina encourages you not to feel ashamed or defeated but to realize that acknowledging how you feel is the first step to a life filled with greater joy, connection, and peace. So what's your next step? Are you ready to find what you've been looking for? Aching for Greatness will inspire you to set out on the adventure that only a deep personal knowledge of God can offer. [33 Days to Morning Glory](#) Michael Gaitley, 2016-02-01 [The Catholic All Year Prayer Companion](#) Kendra Tierney, 2021-05-20

The Catholic deposit of faith and tradition is wide and deep. There are so many different devotions and ways to pray that it's impossible for anyone to ever use them all, let alone in a busy family. Fortunately, the liturgical calendar is here to help. In this companion to her bestselling book about liturgical living traditions in the home, *The Catholic All Year Compendium*, Kendra Tierney lays out hundreds of prayers, devotions, practices, blessings, indulgences, novenas, hymns, Bible readings, poems, encyclicals, and humor in an easy-to-use format according to the liturgical seasons and feast days of the Church calendar. These prayers and practices are a great way to connect with the Bible, the Saints, the Church, and your family throughout the year. Without paging through stacks of books, you can easily access hundreds of beautiful devotions for every season of the liturgical year. This book will help you and your family to: Pray the Christmas Novena, nine days leading to Christmas Day; Sing the beautiful *Pange Lingua Gloriosi* for the feast of St. Thomas Aquinas; Discover the Seven Sundays of Saint Joseph; Do the Stations of the Cross during Lent; Have a *Tenebrae* service for the Triduum; Have a blessed bonfire for the Nativity of St. John the Baptist; Host a family joke night in honor of St. Lawrence; and so much more. Plus, learn how to pray rosaries, chaplets, novenas, and how to get indulgences and what blessings are appropriate for use by lay people. And do it all with no more preparation than picking this book up from the shelf. Produced with busy families in mind, Kendra Tierney brings these jewels of the Church into your home and family.

Millennial Missionaries Katherine Dugan, 2019

Millennials in the U.S. have been characterized as uninterested in religion, as defectors from religious institutions, and as agnostic about the role of religious identity in their culture. Amid the rise of so-called "nones," though, there has also been a countervailing trend: an increase in religious piety among some millennial Catholics. The Fellowship of Catholic University Students (FOCUS), which began evangelizing college students on American university campuses in 1998, hires recent college graduates to evangelize college students and promote an attractive and culturally savvy Catholicism. These millennial Catholics have personal relationships with Jesus, attend Mass daily, and know and defend papal teachings while also being immersed in U.S. popular culture. With their skinny jeans, devotional tattoos, and large framed glasses, FOCUS missionaries embody a hip, attractive style of Catholicism. They promote a faith that interweaves distinctly Catholic identity with outreach methods of twentieth-century evangelical Protestants and the anxieties of middle-class emerging adulthood. Though this new generation of missionaries lives according to strict gender

essentialism prescribed by papal teachings including the notions that men lead while women follow and that biology dictates gender roles they also support stay at home fatherhood and women earning MBAs Millennial Missionaries examines how these young people navigate their Catholic and American identities in the twenty first century Illuminating the ways missionaries are reshaping American Catholic identity Katherine Dugan explores the contemporary U S religious landscape from the perspective of millennials who proudly proclaim I am Catholic and devote years of their lives to convincing others to do the same
