

3rd Grade

Your Second Day

- Your second day is very slow. You only sell 20 cupcakes. If...

Setting up the Bakery

- Your assistant tells you that you can make 4 cupcakes at a time on each counter and then you have to clean the counter. You have 4 counters. How many cupcakes can you make before cleaning?

- You decide to be save money. Each counter and many cupcakes cleaning?

Your First Day

- Your first day is packed, with 24 cupcakes sold. If your assistant bought 6 cupcakes, how many...

Making Cupcakes

- Each cupcake takes 5 minutes to make with only 2 employees working. You want to have 40 cupcakes done for the first day. With only your 2 employees, how long will it take for the first day?

Your Task

- In this task, you are the proud new owner of the corner cupcake bakery.
- You will help decide how many cupcakes a customer is needing, the number of cupcakes that are needed for the next day, and help solve problems that come up as orders come in.
- Remember to calculate the total cupcakes needed, which includes taking away the number of cupcakes left from the day before.

Common Core Language Arts Workouts, Grade 8 Linda Armstrong,2015-01-05 The Common Core Language Arts Workouts Reading Writing Speaking Listening and Language Skills Practice series for grades 6 through 8 is designed to help teachers and parents meet the challenges set forth by the Common Core State Standards Filled with skills practice critical thinking tasks and creative exercises some are practice exercises while others pose creative or analytical challenges These workouts make great warm up or assessment exercises They can be used to set the stage and teach the content covered by the standards or to assess what students have learned after the content has been taught Mark Twain Media Publishing Company specializes in providing captivating supplemental books and decorative resources to

complement middle and upper grade classrooms Designed by leading educators the product line covers a range of subjects including mathematics sciences language arts social studies history government fine arts and character *Common Core Language Arts Workouts, Grade 7* Linda Armstrong, 2015-01-05 The Common Core Language Arts Workouts Reading Writing Speaking Listening and Language Skills Practice series for grades six through eight is designed to help teachers and parents meet the challenges set forth by the Common Core State Standards Filled with skills practice critical thinking tasks and creative exercises some are practice exercises while others pose creative or analytical challenges These workouts make great warm up or assessment exercises They can be used to set the stage and teach the content covered by the standards or to assess what students have learned after the content has been taught Mark Twain Media Publishing Company specializes in providing captivating supplemental books and decorative resources to complement middle and upper grade classrooms Designed by leading educators the product line covers a range of subjects including mathematics sciences language arts social studies history government fine arts and character **Assessment Prep for Common Core Reading, Grade 7** Schyrlet Cameron, Suzanne Myers, 2015-01-05 Assessment Prep for Common Core Reading is designed to help students acquire the skills and practice the strategies needed to successfully perform on CCSS assessments Each 64 page book includes test taking tips instructional resources practice assessments using Literature Informational Text and paired passages The workbooks in this series are also aligned with Common Core State Standards for English Language Arts and Literacy in History Social Studies and Technical Subjects Mark Twain Media Publishing Company specializes in providing captivating supplemental books and decorative resources to complement middle and upper grade classrooms Designed by leading educators the product line covers a range of subjects including mathematics sciences language arts social studies history government fine arts and character **Beyond the Bubble Test** Linda Darling-Hammond, Frank Adamson, 2014-06-16 Performance assessment is a hot topic in school systems and educators continue to analyze its costs benefits and feasibility as a replacement for high stakes testing Until now researchers and policymakers have had to dig to find out what we know and what we still have to learn about performance assessment Beyond the Bubble Test How Performance Assessments Support 21st Century Learning synthesizes the latest findings in the field and not a moment too soon Statistics indicate that the United States is in danger of falling behind if it fails to adapt to our changing world The memory and recall strategies of traditional testing are no longer adequate to equip our students with the skills they need to excel in the global economy Instead teachers need to engage students in deeper learning assessing their ability to use higher order skills Skills like synthesizing information understanding evidence and critical problem solving are not achieved when we teach to multiple choice exams Examples in Beyond the Bubble Test paint a useful picture of how schools can begin to supplement traditional tests with something that works better This book provides new perspectives on current performance assessment research plus an incisive look at what's possible at the local and state levels Linda Darling Hammond with a team

of leading scholars bring together lessons learned new directions and solid recommendations into a single readily accessible compendium Beyond the Bubble Test situates the current debate on performance assessment within the context of testing in the United States This comprehensive resource also looks beyond our U S borders to Singapore Hong Kong and other places whose reform mindedness can serve as an example to us

Principles and Practices of Performance Assessment Nidhi Khattri, Alison L. Reeve, Michael B. Kane, 2012-12-06 This volume explores the recent national trend toward adoption of performance assessments Embraced at all levels of educational decision making state district school and teacher the shapes these assessments take and the affects they have at the classroom level can differ significantly from one setting to another Based on case studies of 16 schools this study describes what performance assessments actually look like the types of tasks they pose to children the scoring methods used the purposes to which they are put and how they fit in with other components of assessment systems It also shows how they differ when they are introduced by state departments of education districts and schools themselves Factors that affect policymakers and educators abilities to successfully design and introduce performance assessments are also explored These include the purposeful coordination of performance assessment with related education reforms such as the adoption of content and student performance standards and the professional development for teachers necessary to the successful implementation of performance assessments Barriers to adoption most notably the challenges of developing a technically sound performance assessment are discussed as well Crucial to teachers ability to appropriate performance assessments for use in their own classrooms is their involvement in designing and implementing them Although it would be impossible for a state or school district to involve all teachers in the design of a performance assessment they can take steps to foster teachers understanding of the purposes and methods of the assessment thereby supporting their ability to use similar methods in their daily teaching Toward that end this book describes the experiences of teachers and students with a range of assessments that all fall under the umbrella of performance assessment In addition it provides rich illustrations of those experiences across a diverse group of schools descriptions of the trade offs inherent in developing a student assessment system demonstrations of why no single assessment can be all things to all people and valuable insights for teachers administrators policymakers and researchers who want to improve their understanding of how performance assessments work in practice and how they may best serve to improve teaching and learning

Assessment Prep for Common Core Reading, Grade 6 Schyrlet Cameron, Suzanne Myers, 2015-01-05 Assessment Prep for Common Core Reading is designed to help students acquire the skills and practice the strategies needed to successfully perform on CCSS assessments Each 64 page book includes test taking tips instructional resources practice assessments using Literature Informational Text and paired passages The workbooks in this series are also aligned with Common Core State Standards for English Language Arts and Literacy in History Social Studies and Technical Subjects Mark Twain Media Publishing Company specializes in providing captivating supplemental books and
