Quote	Meaning of quote in your own words	Example Scenario: Imagine a student your age who consistently gets in trouble at school and home. His parents threaten to send him away to military school if his behavior and grades do not improve. Explain how each of the 4 Noble Truths could help this student succeed in this situation.
<p>#1 Life is Suffering: Now, this, O brethren, is the noble truth concerning suffering: Birth is attended with pain, decay is painful, disease is painful, death is painful. Union with the unpleasant is painful, painful is separation from the pleasant, and any craving that is never satisfied, that too is painful. In brief, bodily conditions which spring from the lowest are painful.</p>		
<p>#2 The origin of suffering is attachment: Now, this, O brethren, is the noble truth concerning the origin of suffering: 'Verily it is that craving which causes the renewal of existence, accompanied by sensual delight, seeking satisfaction now/here, now/there, the craving for the gratification of the passions, the craving for a future life, and the craving for happiness in this life.'</p>		
<p>#3 This suffering can be ended: Now, this, O brethren, is the noble truth concerning the destruction of suffering: 'Verily it is the destruction, in which no person remains, of this very thing, it is the laying aside of, the being free from, the <u>freedom no longer upon this thing</u>.'</p>		
<p>#4 The path to ending the suffering: Now, this, O brethren, is the noble truth concerning the way which leads to the destruction of sorrow: 'Verily it is this noble eightfold path, that is to say: Right</p>
