The 4 Disciplines of Execution Chris McChesney, Sean Covey, Jim Huling, 2012-04-24 The 4 Disciplines of Execution is a book every leader should read Clayton Christensen Professor Harvard Business School and author of The Innovator's Dilemma For fans of Good to Great and The First 90 Days The Four Disciplines of Execution is the foundational text for creating lasting organizational change A 1 Wall Street Journal bestseller with more than 500 000 copies sold The Four Disciplines of Execution will radically change your business Do you remember the last major initiative you watched die in your organization Did it go down with a loud crash Or was it slowly and quietly suffocated by other competing priorities By the time it finally disappeared it's likely no one even noticed What happened Often the answer is that the whirlwind of urgent activity required to keep things running day to day devoured all the time and energy you needed to invest in executing your strategy for tomorrow The 4 Disciplines of Execution can change that forever The 4 Disciplines of Execution 4DX is a simple repeatable and proven formula for executing your most important strategic priorities in the midst of the whirlwind By following the 4 Disciplines Focus on the Wildly Important Act on Lead Measures Keep a Compelling Scoreboard Create a Cadence of Accountability leaders can produce breakthrough results even when executing the strategy requires a significant change in behavior from their teams 4DX is not theory It is a proven set of practices that have been tested and refined by hundreds of organizations and thousands of teams over many years When a company or an individual adheres to these disciplines they achieve superb results regardless of the goal 4DX represents a new way to think and work that is essential to thriving in today's competitive climate The 4 Disciplines of Execution is one book that no business leader can afford to miss

4 Disciplines of Execution Sean Covey, Chris McChesney, Jim Huling, 2012-04-26 The Four Disciplines of Execution is about a simple proven formula for reaching the goals you want to reach as a business or individual In Covey's experience the thing that most undermines the ability to execute goals is what he calls the Whirlwind those urgent tasks that must be done simply to keep an organization alive As Covey shows the only way to execute new important goals is to separate those goals from the Whirlwind The Four Disciplines allow leaders to create a strategy that requires a change in behaviour since only by ensuring that everyone on the team understands the goal knows what to do to reach it and knows whether progress is being made will a leader produce consistent breakthrough results while sustaining the urgent work of the Whirlwind The Four Disciplines of Execution are 1 Focus on the Wildly Important 2 Act on the Lead Measures 3 Keep a Compelling Scoreboard 4 Create a Cadence of Accountability For more than a decade Franklin Covey has been studying what it takes to achieve important goals and in this book they share success stories from a wide range of companies that have implemented the Four Disciplines to result in greater profits increased market share and improved customer satisfaction This way of thinking is essential to any company that wants to not only weather but thrive in this economy

The 4 Disciplines of Execution: Revised and Updated Chris McChesney, Sean Covey, Jim Huling, Scott Thele, Beverly Walker, 2022-04-19 Outlines a proven

formula for achieving goals explaining how individuals and organizations can hone four execution based skills in areas of focus documentation and accountability *The 4 Disciplines of Execution - India & South Asia Edition* Sean Covey, 2014-11-27 The Four Disciplines of Execution is about a simple proven formula for reaching the goals you want to reach as a business or individual. In Covey's experience, the thing that most undermines the ability to execute goals is what he calls the Whirlwind: those urgent tasks that must be done simply to keep an organization alive. As Covey shows, the only way to execute new important goals is to separate those goals from the Whirlwind. The Four Disciplines allow leaders to create a strategy that requires a change in behaviour since only by ensuring that everyone on the team understands the goal, knows what to do to reach it, and knows whether progress is being made will a leader produce consistent breakthrough results while sustaining the urgent work of the Whirlwind. The Four Disciplines of Execution are:

- 1 Focus on the Wildly Important
- 2 Act on the Lead Measures
- 3 Keep a Compelling Scoreboard
- 4 Create a Cadence of Accountability

For more than a decade, Franklin Covey has been studying what it takes to achieve important goals, and in this book they share success stories from a wide range of companies that have implemented the Four Disciplines to result in greater profits, increased market share, and improved customer satisfaction. This way of thinking is essential to any company that wants to not only weather but thrive in this economy. This edition is specifically adapted for the South Asia market by Rajan Kaicker, CEO of Franklin Covey India, featuring anecdotes and advice to reflect this emerging market. *The High-Trust Classroom* Lonnie Moore, 2016-08-25 Create a classroom environment where students trust their teacher and one another.
