Eschenbach,Johanna M. Wagner,2021-05-07 This collection brings together scholars from various disciplines to ask fundamental questions concerning how women handle the manifold impediments placed before them as they simply attempt to live full human lives The collection explores narratives of women real and fictional who fight against these barriers who succumb to them who remain unaware of them or choose to ignore them It explores the ways we read women in cultural production and how women are read in society We assert the obstacles constructed into the very fabric of societies against fifty percent of the population are unfair be they hindrances for women to attain their goals encumbrances that limit women s speech and societal participation communal and artistic or hindrances that prohibit specific behaviors and images of women THE MASTERFUL WAY Daniel Wingate,2019-10-15 The Masterful Way is intentional deliberate and powerful It is a life of joy and happiness which is what we all seek This book is about Mastering this kind of life You will find this book to be different It is not another book on the Law of Attraction Nor is it a treatise on the next generation of New Thought This is a book about Mastery the Tool Set the Skill Set and the Mind Set It is an in depth perspective on Universal truths and the Laws governing all energy This is the journey of living your highest Self and taking full charge of your Co Creative power An unfolding of truths will help you understand the suite of Universal Laws that define all that Is You will find perspectives on what is actually real and what is not You will be given tools to help you work with the Universal Laws and therefore how to get out of your own way Most importantly you will define your desires and put yourself on the road of Mastery You will get help on being clear about your intention on removing obstacles mostly of your own making and on defining that which is your Being Your journey of Mastery must be expressed in absolute truth and belief It is what you have to say This is why we are all here Take this journey and the Universe will be privileged to experience your voice *The Folly of the Cross* Richard Viladesau,2018-05-01 The Folly of the Cross is the fourth book in Richard Viladesau s series examining the aesthetics and theology of the cross through Christian history Previous volumes have brought the story up through the Baroque era This

new book examines the reception of the message of the cross from the European Enlightenment to the turn of the twentieth century The opening chapters set the stage in the transition from the Baroque to the Classical eras describing the changing intellectual and cultural paradigms of the time Viladesau examines the theology of the cross in the eighteenth and nineteenth centuries and the aesthetic mediation of the cross in music and the visual arts He shows how in the post Enlightenment era the aesthetic treatment of the cross widely replaced the dogmatic treatment and how this thought was translated into popular spirituality piety and devotion The Folly of the Cross shows how classical theology responded to the critiques of modern science history Biblical scholarship and philosophy and how both classical and modern theology served as the occasions for new forms of representation of Christ s passion in the arts and music *The Delight Makers* Catherine L. Albanese,2023-01-17 An ambitious history of desire in Anglo American religion across three centuries The pursuit of happiness weaves disparate strands of Anglo American religious history together In *The Delight Makers* Catherine L. Albanese unravels a theology of desire tying Jonathan Edwards to Ralph Waldo Emerson to the religiously unaffiliated today As others emphasize redemptive suffering this tradition stresses the metaphysical connection between natural beauty and spiritual fulfillment In the earth s abundance these thinkers see an expansive God intent on fulfilling human desire through prosperity health and sexual freedom Through careful readings of Cotton Mather Andrew Jackson Davis William James Esther Hicks and more Albanese reveals how a theology of delight evolved alongside political overtures to natural law and individual liberty in the United States **Springs of Western Civilization** James A. Arieti,2017-07-14 *Springs of Western Civilization* is a comparative exploration of the Hebraic and classical traditions that form our heritage In examining these traditions before they united James Arieti locates the catalyst for their bonding in two related circumstances adoption by the biblical world of an eclectic m lange of Platonism Aristotelianism and Stoicism that in the centuries on each side of the Common Era produced consensus models both of God and of a warmhearted individual and belief that the writings of Plato were literally true a belief that arose from failing to understand his playful metaphorical techniques of composition Among the many effects of the mingling of biblical and philosophical values was a re focusing of literature from the heroes of epic to the compassionate characters we recognize as Menschen **A History of Russian Literature** Andrew Kahn,Mark Naumovich Lipovet[s]kiĭ,Irina Reyfman,Stephanie Sandler,2018 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century *A History of Russian Literature* provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up

close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

Paranormal Nation Marc E. Fitch, 2013-03-21 This thought provoking study of paranormal phenomena traces the impact of supernatural beliefs on popular culture and conversely examines the influence of new communication technologies on research being conducted in the field Did you know that interest in UFO research increased during the 1960s as a result of the Kennedy assassination Or that America experienced a Satanic Panic in the 1980s that culminated with the longest most expensive court trial in American history This book reviews the history economy and community of paranormal research in this country and considers the deeper meaning behind the philosophies and theories surrounding the industry Paranormal Nation Why America Needs Ghosts UFOs and Bigfoot explores the events that have defined paranormal belief systems today From the birth of religious doctrine to European witch hunts to the increasing popularity of the supernatural in American television programming the author examines the past and present conditions that have fueled interest in the unexplained and considers what this trend means for modern day America

"Who Set You Flowin'?" Farah Jasmine Griffin, 1996-09-26 Twentieth century America has witnessed the most widespread and sustained movement of African Americans from the South to urban centers in the North Who Set You Flowin examines the impact of this dislocation and urbanization identifying the resulting Migration Narratives as a major genre in African American cultural production Griffin takes an interdisciplinary approach with readings of several literary texts migrant correspondence painting photography rap music blues and rhythm and blues From these various sources Griffin isolates the tropes of Ancestor Stranger and Safe Space which though common to all Migration Narratives vary in their portrayal She argues that the emergence of a dominant portrayal of these tropes is the product of the historical and political moment often challenged by alternative portrayals in other texts or artistic forms as well as intra textually Richard Wright s bleak yet cosmopolitan portraits were countered by Dorothy West s longing for Black Southern communities Ralph Ellison while continuing Wright s vision reexamined the significance of Black Southern culture Griffin concludes with Toni Morrison embracing the South as a
