28 Habitudes and Attitudes of Successful Small Business Entrepreneurs Peter Black, 2014-11-26 Success is not exclusive to those who are born into a business empire There are more success stories that have humble beginnings and more interestingly these entrepreneurs have more in common than you d think This is what this little book is all about a compilation of habits and attitudes that make up a winner Consider this a guide of sorts that can help you reach your goals and your entrepreneurial dreams Now the mere fact that you picked up this book means you are on your way to success Your eagerness to learn and broaden your knowledge is an attitude that will help you succeed And the fact that you chose to be an entrepreneur means you have the audacity to succeed But before we move on to the heart of the matter let us first consider the two most important terminologies attitude and habit *British Education Index* ,1995 **Library Literature** ,1984
