"Code of Massachusetts regulations, 2013", 2013 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **The Future of the Children's Health Insurance Program** United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Health, 2015

Medicare Marilyn Moon, 2006 For some Medicare is a model of what national health insurance could be in the United States Despite its low administrative costs and significant contributions to the well being of America's oldest and most disabled citizens some critics assail the program as being out of sync with the needs of many senior citizens while others often refer to it as unsustainable because of its high costs Physicians and hospital administrators endlessly criticize and debate Medicare but rely upon it for a substantial share of their revenues In *Medicare A Policy Primer* Marilyn Moon explains what Medicare is how it works and where it's headed She examines the problems facing the program and which reform options hold the most promise She also examines the history of Medicare and how the program works in the broader context of health care the federal government and the economy It is a clear introduction to one of the most critical debates in health policy and an important volume for anyone interested in the future of Medicare Medicare and Medicaid Guide, 1969
