Supervision in locomotion, dressing and undressing, washing and drying, grooming, positioning on the toilet and toilet completion now includes the wording "commitment of one staff member standing by to provide assistance..."

Direct One-on-One supervision needs to be available to complete the identified care needs.

ACFI Question 6

If the PAS has not been completed, alternative supporting evidence such as a clinical report must be provided in the ACFI Answer Appraisal Pack. Page 5 of the 2017 ACFI User Guides identifies that a clinical report must be completed by a registered health professional in the following disciplines:

- GP
- Medical Specialist (Pain, Palliative Medicine, or Geriatric Medicine)
- Psychologist
- Registered Nurse or Nurse Practitioner

If an interpretive score is completed for ACFI Question 6, a clinical summary of how the resident presents clinically in relation to their cognitive ability needs to be provided by an identified registered health professional.

ACFI Question 11

A timing for medication administration over a 24 hour period is no longer required.

ACFI Question 12.4b

Directives for 12.4b claims need to include the required time frames within them.
