Achieve Success How To Become Successful And Achieve Your Goals:

Becoming Successful (Harvesting Your Success) Gaddiel R. Ackah, 2021-07-15 Conclusion When moments pass in our lives and we realize that our lives mismatch the life we imagined in our past it's better we change our current choices decisions and dreams so that we can enjoy better life in future because everything you are doing now reflects your life in the future We reap what we sow Successful life is never a mere hoping and wishing but it's about active doing active determination and active becoming by sowing meaningful big dreams and investments today to get meaningful life tomorrow Becoming successful is not limited to age location or education It is only limited to I won't Success depends on principles and positive use of your brain The human brain including yours are the storehouse of all the magic we need to heal all the wounds of unsuccessful lives in our world Just change your altitude and take first step to begin something now and you will enjoy success as J K Rowling said We do not need magic to transform our world We carry all of the powers we need inside ourselves already It's never too late too young or too old to begin planning your future from now and get started all over by dreaming newer goals and possibilities today for a better future Officer Ackah using practical examples prompts readers that the great technological and infrastructural advancements and positions in the United States and elsewhere did not magically fall from the sky but they were created by the positive application of the minds of ordinary people like you This book helps you to change your altitudes thinking and get started to create unimaginable successes advancements and positions in our world to place you on top and you will become the topic of remembrance Officer Ackah speaking from personal experiences of victory and success from both the civilian and military points has provided the positive passionate practical and possible principles to arouse your appetite for creating unbelievable successes to change your life exceptionally and to effect inimitably the transformation of our world Gaddiel R Ackah is encouraging readers in finding freedom in their lives to overcome the three mistakes that block successful living fear to identify one's purposes in life ignorant of how powerful their brain can work to change things and the misunderstanding of creating desirable successes He prompts that you are not living to tiptoe and die but to achieve your dreams by your positive and courageous daily choices and investments When life is not okay but you are struggling in life this book is for you to reexamine and change your goal job title and social status 2 2

right book for you My book is for people who are serious about moving from where they are now to a place of much greater abundance in their lives in ALL aspects of life The most important realization of success we must first recognize is that it is different for different people Therefore the meaning and the paths to varied individual success will not be typified But that's where I come in with my program How The Ten Powerful Steps Formula The greatest life lessons I learned were from my grandparents who raised in Africa From them I learned WICKS Wisdom Intelligence Courage Knowledge and Strength coupled with the discipline hard work and perseverance we all require These simple motifs have served me very well I've been blessed to have survived a civil war as a young child and was able to find my new home in this beautiful country The United States of America and along the way became a medical doctor an Author a Motivational Speaker and a mother of eight wonderful children This journey is what built me as a person and I will show you how you can transform your own life to accomplish all the things you want in your life I have used this well organized sequence of steps throughout my life The formula when applied accurately never fails to produce results and it is easy to use But The 10 Powerful Steps Formula is not a walk in the park By reading one step each day you will be prepared to take the lesson given at the end of each step Pass those lessons and you pass Life with flying colors As we know a little knowledge goes a long way Knowledge IS Power TAKE CONTROL of your thing called life Today Now And achieve all your goals and dreams quickly and efficiently Read The 10 Powerful Steps Formula To Amazing Success and find your success for tomorrow How to Become Successful Shikhar Tripathi, This is a motivational guide Book written by Shikhar Tripathi in a simple English language He aims to give momentum to your dreams and desire to become successful in your profession and your life by learning from people who already have achieved that aim what you are aiming now This Book includes the life changing simple steps with powerful lessons to transform you to achieve your aims dreams and make your life successful This Book will compel you to compare yourself with other successful person of your field profession and bound you to think that if they can do then yes you can also do and hence can easily achieve your aims and dreams of your life and get determined you by yourself for your sure success

Make your dream a reality: How to run a successful preschool venture Preeti Khankhoje, 2017-08-18 The book is for you IF You are an entrepreneur who wants to succeed You are open to change You are committed about building your business to its fullest potential You are willing to channelize your efforts in the right direction You want to maximize your local network and information and use it effectively You are ready to set new growth records for your business You want to identify your ideal client and what they really want You are ready to stop reading business growth information and START TAKING BUSINESS GROWTH ACTION that will take your business to the next level You want to leverage your marketing efforts and monitoring the results You want to build an effective team You are ready to inspire other people *THE ART OF BEING YOU* Moe Dalz, 2022-10-02 It's obvious that sometimes the high rated percentages of happiness is brought to us by doing our own ways that's why we always need to breathe and figure out on how we can build a better version of our own selves A lot

of things in life have got so many sadness bonded in more than happiness That s why it s very easy to fake a smile but it s comparatively hard to fake sorrow in reality because everyone needs and deserves to be happy Sometimes we may feel less like we need someone or something to cover up what we have been passing through or the things we encounter here and there but trust me None of them things matters We only need to be open in the eyes again and again every day when we see something is not right because we are not the first ones to face challenges and we are not special means anything can happen to us in any time and it can hurt us sometimes or make us happy This is more often depends on the personality and the attitude Trust me you need no one to make things happen I mean no one from inside but you You can keep your friends and family and you can be so happy with them but again when you think in a deep thoughts you will return to what I m saying here President Barrack Obama needed no one but himself on his ways of becoming the first black president of America originated from East Africa Kenya The same thing happened to all successful people who have made changes in some sort of fields like politics football basketball music mechanics computing etc It is clearly open that people who are surrounding you right now are nothings to you You give them respects and you are happy with them but they are completely nothing when it comes to you including your parents sometimes
