Arts of Dying D. Vance Smith, 2020-04-03 People in the Middle Ages had chantry chapels mortuary rolls the daily observance of the Office of the Dead and even purgatory but they were still unable to talk about death Their inability wasn't due to religion but philosophy saying someone is dead is nonsense as the person no longer is The one thing that can talk about something that is not as D Vance Smith shows in this innovative provocative book is literature Covering the emergence of English literature from the Old English to the late medieval periods Arts of Dying argues that the problem of how to designate death produced a long tradition of literature about dying which continues in the work of Heidegger Blanchot and Gillian Rose Philosophy's attempt to designate death's impossibility is part of a literature that imagines a relationship with death a literature that intensively and self reflexively supposes that its very terms might solve the problem of the termination of life A lyrical and elegiac exploration that combines medieval work on the philosophy of language with contemporary theorizing on death and dying Arts of Dying is an important contribution to medieval studies literary criticism phenomenology and continental philosophy

Tindakan Keperawatan Gawat Darurat Erlin Ifadah, Maria Imaculata Ose, I Wayan Edi Sanjana, Ngakan Nyoman Rai Bawa, I Putu Arya Wijayantha, Nurul Hidayah, Masroni Masroni, Faysal Kastella, Hendy Lesmana, Remita Uly Hutagalung, Budiman Budiman, Sugiyono Sugiyono, Yudi Akbar, 2024-04-01 Buku Tindakan Keperawatan Gawat Darurat adalah panduan penting bagi perawat yang menangani situasi darurat medis Buku ini merinci peran perawat gawat darurat dan mengulas tren serta isu-isu terkini dalam bidang tersebut Dengan penekanan pada proses evaluasi awal seperti primary dan secondary survey serta pentingnya triase dalam menentukan prioritas perawatan
