

# *Grandmother*

*From the very first moment you smiled upon me,  
You gave all that you had...unconditionally.  
You taught me of kindness, and patience and love,  
And we formed a closeness God blessed from above.*

*Then the seasons passed quickly, and as I grew,  
Each year just increased my devotion to you.  
And I learned among other things, from your caress,  
That the world is much sweeter with tenderness.*

*That every young heart should have someone like you,  
Who helps them believe dreams can really come true.  
Someone who always remains by their side,  
Whose faith in them fosters a strong sense of pride.*

*One sweet, special someone, "Grandmother" by name,  
Whose love helps ignite a perpetual flame,  
That adds warmth and beauty in so many ways,  
A light that will guide me through all of my days.*

Jerry Grafstien, 2022-12-23 A personal history of the fragmented 20th century that has careened from modern technology to barbarity in a complex and confusing spiral The author is the son of immigrants who were born thirty kilometres from each other in southern Poland Fortuitously due to religious ties they met in Toronto in 1927 fell in love married and settled in London Ontario in 1930 The author's father's life spanned the first half of the twentieth century until his tragic death in a street accident in 1950 His mother's life spanned the entire twentieth century born in 1900 arriving in Canada in 1907 and she passed away in 2002 in Toronto and remained lucid to the end History repeats itself while mistakes are little learned from errors venality and endless brutality At best he witnessed the descent from principle to pragmatism He is fortunate in encountering fascinating personalities in politics religion arts academia and sports all of whom left singular impressions on him and others in Canada and around the globe Ultimately he discovered that it is not the destination but the journey along the way that continues to astound and surprise him as the innards of the human condition revolves and evolves without rhyme or reason The Brilliance of Fireflies

Leslie Hauser, 2019-05-21 Emma Loukas had a typical teenage life Until she didn't After choosing to stay home instead of accompanying her family to a minor league baseball game Emma is not present when a suicide bomber detonates an explosive device at the entrance to the stadium just as her family arrives In the months that follow grief therapy and the gloomy looks from friends and her extended family do nothing but drag Emma further down into the rubble left behind by that deadly April afternoon To escape the sad reality of her new life Emma heads across the country to California to spend her senior year with her grandmother Getting away from her former life is the only way to survive It doesn't take long though for Emma to experience Grandma Connie's dementia and it's more than a seventeen year old is capable of handling on her own Now Emma fears she has just made her bad situation worse and she begins to wonder if it's even worth trying to survive But when the family mementos on the dresser catch her eye Emma feels a bit of light flicker inside her Maybe the way to make sense of her new life is to live the lives her mom dad and brother no longer can So she sets out to achieve each of their dreams It won't be easy but it's all Emma has left and in the process she just may find out who she's supposed to be *Through the Year with Granny Gwen*
