Why do we need
A Bill of Rights
For the Federal government
When the states have their own
Sets of Constitutions
And the Federal Constitution
Already protects basic freedoms?
We want a strong national government,
But the states can have just a bit of power, too.
Since we've got a big American territory,
We need to have a stronger Fed.
We'll have three branches
With checks and balances:
The Executive with a President,
A bicameral Legislative, and
A national Supreme Court.

What is a good acrostic poem for government?

*Go to the Capitol and there you shall see the
Organization that governs our society Vigilantly
discussing the needs of our land Encouraging
citizens to do what they can Running as mediator
between other nations Now helping the needy and
taking MORE*

Prior to the arrival of the Americans in 1898, the Spanish colonial government of the Philippine Islands, which had ruled the Philippines since 1571, found a useful purpose for the tiny peninsula across the bay. Ever distrustful of the Chinese merchants who called on every port
