

Marijuana

It's a relaxation,
Kind of medication.
It helps you breathe properly,
It's good for obesity.
It gives you an appetite,
It puts you to sleep at night.
Yes it's good for insomnia,
It's good for anorexia,
It's good for asthma,

Yes it's good for ya,
I'm talking about Marijuana.

The Worst Hand Ever Dealt Yimmy Castellanos, 2025-08-05 The world is wonderful and glorious The times of evil have been torn down and only happiness and wonders await in this world filled with democracies according to regular dialogue among citizens of the world What if several institutions squeezed their potential out and proved the opposite of this to be true In the United States of America a nation of immigrants and only greatness apparently being the only path ahead will this be the case

Poetic License Marjorie Perloff, 1990 In Poetic License Perloff insists that despite the recent interest in opening up the canon our understanding of poetry and poetics is all too often rutted in conventional notions of the lyric that shed little light on what poets and artists are actually doing today

The Green Skunk Chuck Allen, 2016-08-01 I'm pleased that the leaders of our country have changed their stance on the cannabis plant Too many people for too many years have been victims of a broken system Progress in the cannabis industry has been slow but steady Today giant steps are being made to correct misunderstandings on both sides of the political table Health care laws in many states are removing the handcuffs and shackles from the cannabis industry and allowing the plant to be used for personal and medical benefits It doesn't matter if you are for it or against it cannabis is not going away The poems in this book represent a cultural shift in the way we conceive cannabis Monsters and mad men are finding balance between acceptance and inclusion The former have been exposed for the fools they are and the latter still have more work to do Today the cannabis plant is safe healthy and legal in many states Civil progress is being made to deregulate a controlled substance that didn't need to be overtly controlled in the first place Many new jobs and products are being introduced to the marketplace and people are more educated about the cannabis industry than ever before Fewer numbers of people are being arrested and more taxes are being paid I thank my lucky stars every night that I'm still alive during this time of great social change I get to witness a cultural recovery that's long overdue It will take time and it will get better but it will take everything we have to make a difference in our nation I think it's time to turn

the political spotlight from marijuana and let it shine on the hemp industry and let the products being made from the cannabis plant heal our country and the world community My music is in the pages of this book It s in the ink and on the paper and in the margins from both sides I ponder the rhythm and long for the rhyme of it all I believe together we can dance into the future and if the poem is wrong we can always keep dancing until we get it right Everyone has a secret garden with a bench The secret is to be still long enough to find it Chuck Allen Jr The Floating Bear Diane Di Prima,Amiri Baraka,1973 Includes a special number published in the summer of 1971 called The Intrepid Bear issue Intrepid 20 Floating Bear 38 **The Catholic Periodical and Literature Index** ,1999 **The Floating Bear** ,1973 Subject Encyclopedias: Keyword index Allan Mirwis,1999 This useful two volume set will provide buyers of subject encyclopedias with a substantial amount of valuable information they can use in making their purchasing decisions It will also provide all types of librarians and their patrons with a quick one stop method for locating the appropriate subject encyclopedias for their needs and for locating articles in the 100 encyclopedias Librarians who specialize in bibliographic instruction will also find it to be a useful tool for teaching students how to locate needed information Hempen Verses Phinehas Monroy,2022-11-07 Hempen Verses is the first book of speculative poetry from oldfaced newfangled high ass poet Dr Phinehas Monroy probably a pseudonym Dr Monroy wrote these poems during several sessions of frantic marijuana fueled writing from December 2021 to October 2022 For some reason Indica which tends to have an in da couch effect on most people flips on Dr Monroy s let s write a whole bunch of poems switch In this book you ll find poems about life the unceasing march of death religion sex sexuality love and there s even a poem in there about Lobot from Star Wars because that s what Dr Monroy thinks about when he s high If you are a person who enjoys marijuana you might enjoy these poems If you are a person who enjoys poems you might enjoy getting some marijuana and reading these poems In any case I sincerely hope you find these verses to your liking because I m a hollow sort of person who desperately needs the approval of strangers because I m a middle child or some other shit of the sort Author s Note I may have written this description while high and I fear I may live to regret it Oh well What s the worst that can happen **John O' London's** ,1961 New Statesman ,1997-10 **The New York Times Magazine** ,1992-05 Marijuana Sounds & I'm Procrastinating Morgan Suszek,2024-07-04 *The British Invasion* Nicholas Schaffner,1982 Poetry & Marijuana Delano Johnson,Realistic Poetry International,2024-01-09 Welcome to the vibrant intersection where the rhythm of poetry meets the mellowness of marijuana In Poetry Marijuana we embark on an illuminating exploration into the intriguing dance between the effects of cannabis and the creative minds of poets Join us on this unique journey as we unravel the poetic tapestry woven under the influence delving into the profound connections between heightened imagination introspection and the gentle embrace of Mary Jane Get ready to blaze a trail through the hazy corridors of inspiration where verses and vapors collide to create an intoxicating symphony of words and weed
