Directions & Prompt Example

3rd Grade Narrative

Reflective Narrative Mode

There is 1 section.

There is 1 total question.

You will have 30 minutes to complete the test.

Directions

This is a writing test. You will have thirty minutes to write a story in English. Before you begin to write, read the prompt and take a few minutes to think about and plan your story.

As you write your story, remember to:

- Develop your story with specific details and explain your ideas
- Use interesting adjectives and descriptive words to make your story interesting to read.
- Use the entire thirty minutes to write your story.
- Read what you have written to be sure that it says what you want it to say.

Write your final story in the answer space provided on the computer screen.

You may use scratch paper to plan your story. You may change your story on the computer screen as much as you want to, but click the "submit" button only when you have completed your story.

Prompt Example

You are going to write a story about a time when you tried something new.

Think about how you felt when you tried something new and what you learned about trying new things.

Here are some questions to help you think about your story and plan it.

- What did you try and did anyone help you?
- How did you feel while trying this thing?
- Did you ever want to give up?
- Will you try more new things in the future? Why or why not?
- How did this change the way you think about trying new things?

Now, write a story that describes a time when you tried something new. Your story should tell your reader what you **learned** about trying new things.
