Act Like A Leader Think Like A Leader:

Act Like a Leader, Think Like a Leader Herminia Ibarra, 2015-02-10 Today's breakneck pace of change has an immense impact on leaders and as a result on the organizations they run. All too often people remain stuck in outdated mindsets and modes of operating even after others recognize the need for change. Leaders need to learn to pivot even when there are no obvious signals guiding their way. Leadership expert Herminia Ibarra upends traditional introspective advice and says act first and then change your way of thinking. In this unconventional book Ibarra, one of the world's foremost experts on leadership transitions, provides the first practical guide on how to change when you also need to lead. Defying standard leadership development guidance which encourages deep self-reflection into strengths and weaknesses, this book shows that the most effective way to change is through action, not analysis, and by learning from experience, not introspection. In short, it will teach you to change from the outside in by first acting like a leader and then thinking like one. Based on Ibarra's flagship executive education program at INSEAD, this book is for new and seasoned leaders alike who need to understand the new rules for success in their own organization and in the global business environment at large. It's the essential guidebook for anyone who wants to upgrade their role or be the leader their organization needs them to be. **Act Like a**

Leader, Think Like a Leader, Updated Edition of the Global Bestseller, With a New Preface Herminia Ibarra, 2023-10-17 A new edition of the bestseller that has helped aspiring leaders worldwide advance their careers and step up to larger leadership roles. You aspire to lead with greater impact. The problem is you're busy executing on today's demands. You know you have to carve out time from your day job to build your leadership skills, but it's easy to let immediate problems and old mindsets get in the way. Herminia Ibarra, one of the world's foremost experts on leadership, shows how individuals at all levels can step up to leadership by making small but crucial changes in their jobs, their networks, and themselves. In *Act Like a Leader, Think Like a Leader*, Ibarra offers advice to: Redefine your job in order to make more strategic contributions. Diversify your network so that you connect to and learn from a wider range of stakeholders. Become more playful with your self-concept, allowing your familiar and possibly outdated leadership style to evolve. Ibarra turns the usual leadership advice "generate insight about yourself through reflection and analysis of your strengths and weaknesses" on its head by arguing that you must first act and experiment your way into trying new things. The valuable external perspective you gain from direct experiences and experimentation, which Ibarra calls "outsight," provides new and critical information on what kind of work is important to you, how you should invest your time, why and which relationships matter, and ultimately who you want to become. Updated with new examples and self-assessments, this book gives you the tools to start acting like a leader and advancing your career to the next level. **ACT Like a Leader, Think Like a Leader, Updated Edition of the Global Bestseller, with a New Preface** Herminia Ibarra, 2023-10-17 A new edition of the bestseller that has helped aspiring leaders worldwide advance their careers and step up to larger leadership roles.
