

## ENGLISH TEST

45 Minutes—75 Questions

**DIRECTIONS:** In the five passages that follow, certain words and phrases are underlined and numbered. In the right-hand column, you will find alternatives for the underlined part. In most cases, you are to choose the one that best expresses the idea, makes the statement appropriate for standard written English, or is worded most consistently with the style and tone of the passage as a whole. If you think the original version is best, choose "NO CHANGE." In some cases, you will find in the right-hand column a question about the underlined part. You are to choose the best answer to the question.

You will also find questions about a section of the passage, or about the passage as a whole. These questions do not refer to an underlined portion of the passage, but rather are identified by a number or numbers in a box.

For each question, choose the alternative you consider best and fill in the corresponding oval on your answer document. Read each passage through once before you begin to answer the questions that accompany it. For many of the questions, you must read several sentences beyond the question to determine the answer. Be sure that you have read far enough ahead each time you choose an alternative.

## PASSAGE 1

## Barn Renaissance

Thoughts<sup>1</sup> of San Francisco without its Victorian row houses or the New England coast without its lighthouses. For many Americans, the thought of a Midwest without barns is just as inconceivable. Because of the industrialization of agriculture and a dwindling number of family farms, however, barns are being torn down at an increasing rate. A reasonable<sup>2</sup> number of people are working to reverse that trend, arguing that these grand old buildings are cultural artifacts just as worthy of preservation as other historic structures.

The National Trust for Historic Preservation has led the effort, sponsoring programs that educate people about the practical and aesthetic value of saving old barns. Largely as a result of the trust's leadership, on the other hand, nearly a dozen states have launched barn-preservation efforts. Among the most

1. A. NO CHANGE  
B. When thinking  
C. Think  
D. Thinking

2. Which choice will most strongly suggest that the number of people interested in saving old barns is on the rise?  
F. NO CHANGE  
G. fair  
H. growing  
J. OMIT the underlined portion.

3. A. NO CHANGE  
B. for  
C. with  
D. like

4. F. NO CHANGE  
G. thus,  
H. though,  
J. OMIT the underlined portion.
