## **Acting Auditions In Atlanta Ga:**

*The Actor's Business Plan* Jane Drake Brody, 2015-10-22 The Actor's Business Plan is a self directed practical guide for actors graduating from formal training programs as well as for those already in the business whose careers need to move ahead more successfully Using the familiar language of acting training the book offers a method for the achievement of dreams through a five year life and career plan giving positive steps to develop a happy life as an actor and as a person It assists performers to flourish using the same kind of business career planning that is a necessary part of life for entrepreneurs and business people This introduction to the acting industry provides essential knowledge not only for how the business actually works but also describes what casting directors agents and managers do demystifies the role of unions discusses how much things cost and offers advice on branding and marketing strategies It differs from other such handbooks in that it addresses the everyday issues of life money and jobs that so frequently destroy an actor's career before it is even begun While addressing NYC and LA the guide also gives a regional breakdown for those actors who may wish to begin careers or to settle in other cities It is loaded with personal stories and interviews with actors casting directors and agents from throughout the US The Actor's Business Plan is the answer to the common complaint by students that they were not taught how to negotiate the show business world while at school It is the perfect antidote for this problem and can easily fit into a ten or a thirteen week class syllabus Offering support as a personal career coach empowering the actor to take concrete steps towards their life and career dreams The Actor's Business Plan A Career Guide for the Acting Life is a must have book for actors who are determined to be a part of the professional world [College Guide for Performing Arts Majors](#)
