Consumed Nostalgia Gary Cross,2015-09-08 Nostalgia isn t what it used to be For many of us modern memory is shaped less by a longing for the social customs and practices of the past or for family heirlooms handed down over generations and more by childhood encounters with ephemeral commercial goods and fleeting media moments in our age of fast capitalism This phenomenon has given rise to communities of nostalgia whose members remain loyal to the toys television and music of their youth They return to the theme parks and pastimes of their upbringing hoping to reclaim that feeling of childhood wonder or teenage freedom Consumed nostalgia took definite shape in the 1970s spurred by an increase in the turnover of consumer goods the commercialization of childhood and the skillful marketing of nostalgia Gary Cross immerses readers in this fascinating and often delightful history unpacking the cultural dynamics that turn pop tunes into oldies and childhood toys into valuable commodities He compares the limited appeal of heritage sites such as Colonial Williamsburg to the perpetually attractive power of a Disney theme park and reveals how consumed nostalgia shapes how we cope with accelerating change Today nostalgia can be owned collected and easily accessed making it less elusive and often more fun than in the past but its commercialization has sometimes limited memory and complicated the positive goals of recollection By unmasking the fascinating idiosyncratic character of modern nostalgia Cross helps us better understand the rituals of recall in an age of fast capitalism

Cult Collectors Lincoln Geraghty,2014-02-24 Cult Collectors examines cultures of
consumption and the fans who collect cult film and TV merchandise Author Lincoln Geraghty argues that there has been a
change in the fan convention space where collectible merchandise and toys rather than just the fictional text have become
objects for trade nostalgia and a focal point for fans personal narratives New technologies also add to this changing identity
of cult fandom whereby popular websites such as eBay and ThinkGeek become cyber sites of memory and profit for cult fan
communities The book opens with an analysis of the problematic representations of fans and fandom in film and television
Stereotypes of the fan and collector as portrayed in series such as The Big Bang Theory and films like The 40 Year Old Virgin
are discussed alongside changes in consumption practices and the mainstreaming of cult media Following this theoretical
chapters consider issues of gender representation nostalgia and the influence of social media Finally extended case study
chapters examine in detail the connections between the fan community and the commodities bought and sold Topics
discussed include The San Diego Comic Con and the cult geographies of the fan convention Hollywood memorabilia and
collecting cinema history The Star Wars franchise merchandising and the adult collector Online stores and the
commercialisation of cult fandom Mattel Hasbro and nostalgia for animated eighties children s television
