Achieving Through Passion Importance Of Passion:

Achieving Through Passion Maria Rose,2015-01-06 Passion is one of those words that gets tossed around a lot these days And in a world where Awesome might mean anything from Sure 6 p m will work fine to That is so amazing and fabulous I am overcome by excitement it can be tough to discern what real passion is all about Let's face it Some high energy enthusiastic people come across as passionate regardless of what they are doing or the situation they are in I probably fall into that category But I'm inclined to believe that each of us regardless of our outward expression has an abiding sense of passion inside of us whether we've identified it or not Read on in this book *The Psychology of Passion* Dr Robert J. Vallerand,2015-05-01 Winner of the 2017 APA William James Book Award The concept of passion is one we regularly use to describe our interests and yet there is no broad theory that can explain the development and consequences of passion for activities across people's lives In *The Psychology of Passion* Robert J Vallerand presents the first such theory providing a complete presentation of the Dualistic Model of Passion and the empirical evidence that supports it Vallerand conceives of two types of passion harmonious passion which remains under the person's control and obsessive passion which controls the person While the first typically leads to adaptive behaviors the obsessive form of passion leads to less adaptive and at times maladaptive behaviors Vallerand highlights the effects of these two types of passion on a number of psychological phenomena such as cognition emotions performance relationships aggression and violence He also discusses the development of passion and reviews a range of literature on passion for activities [Understanding the Role of Passion in Career Development: How Pursuing Passions Contributes to Job Satisfaction and Success](#) Namaskar Books,2024-11-23 *Understanding the Role of Passion in Career Development* explores how pursuing one's passions can lead to greater job satisfaction fulfillment and success The book examines how passion fuels motivation creativity and resilience in the workplace It encourages readers to identify their core interests and align them with their career goals The book provides strategies for turning passion into action from career exploration to finding purpose driven opportunities It also addresses the challenges of balancing passion with practicality and how to navigate career transitions Ultimately the book empowers individuals to create meaningful passion driven careers that contribute to both personal and professional growth **A Warren Buffett Guide to the Importance of Passion for Success** J.D. Passionate Work Renyi Hong,2022-04-04 In Passionate Work Renyi Hong theorizes the notion of being passionate about your work as an affective project that encourages people to endure economically trying situations like unemployment job change repetitive and menial labor and freelancing Not simply a subject of aspiration passion has been deployed as a means to build resilience and mend disappointments with our experiences of work Tracking the rise of passion in nineteenth century management to trends like gamification coworking and unemployment insurance Hong demonstrates how passion can emerge in instances that would not typically be understood as passionate Gamification numbs crippling boredom by keeping call center workers in an unthinking suspensive state pursuing even the most banal tasks in hope of career advancement Coworking spaces marketed toward freelancers combat loneliness and disconnection at the precise moment when middle class sureties are profoundly threatened Ultimately Hong argues the ideal of passionate work sustains a condition of cruel optimism in which passion is offered as the solution for the injustices of contemporary capitalism

The Purpose Effect Dan Pontefract,2018-06-08 Pontefract combines years of experience and research on employee engagement behavior and culture to create a work about the three crucial areas of purpose personal organizational and workplace role If all three can come to

fruition if there is a positive interconnection between the three distinct definitions of purpose the benefits should be felt by employees teams the organization customers and perhaps most importantly society as a whole We can refer to this balanced state as the sweet spot When one area is lacking or ignored the results range from disengagement apathy lack of growth and even bankruptcy The Purpose Effect is aimed at both leaders and employees who wish to achieve a purpose mindset on a personal level for the organization where they are employed and in their role at work too A business leader that is committed to purpose will create purpose for the organization An employee that feels his her personal sense of purpose is being fulfilled at work will be an invaluable asset to productivity and success An organization centered on purpose will benefit every stakeholder from employees to society in general This sweet spot of purpose creates a reciprocal relationship between all three areas and sits at the center of Pontefract's work
