(Note the Battle of Chancellorsville is mentioned at the end of chapter 7 but we won't read about it until chapter 10.)

Chapter Eight

War News

At the opening of this chapter, the _____ was doing very well. But by the fifth paragraph, the _____ army had scored some significant victories.

Hope

Hope is another theme of this book that might be a little harder to define. It is mentioned at different times in different ways. Jethro had shared the hope in the early part of the chapter that the battles the North had won would lead to the end of the war. Then things changed again. Note this statement:

and for the rest of the war there was always a fear within him that disappointment and disaster inevitably followed hope.

Do you think disappointment always follows hope? Do you think that is how it would feel during war time? Be on the look out for other references to hope in the story.

Neighorly Help

Twenty families came to:

- a) Get revenge on the trouble makers
- b) Rebuild the Creighton's barn
- c) Join the army

Burdow

Jethro learned from Mr. Milton that since the night of the attack on Jethro's carriage, Dave Burdow was :

- a) Being treated better by neighbors
- b) Angry and bitter at the Creightons
- c) Planning to move away

General McClellan

Jethro also heard his neighbors complaining about the general in charge of the Northern army: McClellan. Why was he disliked?

- a) He was hesitant to fight.
- b) He was careless and sent his soldiers into numerous battles with lots of loss of life.
- c) He fought with the President and Congress.

Grasping Shadows William Chapman Sharpe, 2017-08-04 What's in a shadow Menace seduction or salvation Immaterial but profound shadows lurk everywhere in literature and the visual arts signifying everything from the treachery of appearances to the unfathomable power of God From Plato to Picasso from Rembrandt to Welles and Warhol from Lord of the Rings to the latest video game shadows act as central players in the drama of Western culture Yet because they work silently artistic shadows often slip unnoticed past audiences and critics Conceived as an accessible introduction to this elusive phenomenon Grasping Shadows is the first book that offers a general theory of how all shadows function in texts and visual media Arguing that shadow images take shape within a common cultural field where visual and verbal meanings overlap

William Sharpe ranges widely among classic and modern works revealing the key motifs that link apparently disparate works such as those by Fra Angelico and James Joyce Clementina Hawarden and Kara Walker Charles Dickens and Kumi Yamashita Showing how real world shadows have shaped the meanings of shadow imagery Grasping Shadows guides the reader through the techniques used by writers and artists to represent shadows from the Renaissance onward The last chapter traces how shadows impact the art of the modern city from Renoir and Zola to film noir and projection systems that capture the shadows of passers by on streets around the globe Extending his analysis to contemporary street art popular songs billboards and shadow theatre Sharpe demonstrates a practical way to grasp the dark side that looms all around us

Preservation of the Union Robert Tolbert, 2024-02-23 Preservation of the Union Then and Now is a book written by Robert Tolbert a ninth generation American and former sixth grade teacher and coach The book discusses how his first ancestor came from Buckinghamshire England in 1696 and acquired a 1 034 acre parcel of land up the Chesapeake Bay on the Mattaponi River in Virginia called Endfield It would be on that parcel of land two generations later Kunte Kinte in the book Roots would spend a great deal of his life Along the way Robert Tolbert would create a 52 unit condominium project some 300 years later and he named it Endfield in honor of his roots and colonial history Tolbert's great uncle 5 Benjamin Waller was an attorney in Williamsburg and he mentored George Wythe who in turn mentored Thomas Jefferson Wythe worked with Jefferson on the Declaration of Independence and was the first Virginian signatory on the Declaration of Independence As America developed and grew it seemed there would always be growing pains such as a need for a labor force to work the land and give it value That led to the United States becoming the only country to rely solely on black slaves after Black Codes were created around 1700 until 1865 in the South It was a terrible mistake having any kinds of slaves but black slavery created a curse on America that seems impossible to resolve It is one of the main goals of this book to put slavery all slavery into a historical context and hopefully bring people together and get people to talk about something other than what race we all are enough life is too short and racial issues are simply very destructive to us all In 1895 when South Carolina rewrote their Constitution the Democrats bypassed the powers of the 15th Amendment and wanted to disenfranchise blacks from voting Tolbert's relatives who were staunch Republicans wanted to challenge Democrats from preventing blacks from voting in a court case that would also create and maintain a two party system This led to the Phoenix Riot of 1898 and the killing and wounding of many people Four of those severely wounded were from the Tolbert family including Tolbert's grandfather James Watson Tolbert James Watson Tolbert had all of his property burned When the seventeen men who committed the terrorism were charged in court they were exonerated in nineteen minutes Vigilante rule and the Democrat formed Jim Crow laws created after the Compromise of 1877 would prevail for another 80 years until Lyndon Johnson signed the Civil Rights Act in 1964 to undo the damage caused by the Democrat Jim Crow laws On the day after the Phoenix Riot November 9 1898 members of an 800 man mob went through the countryside terrorizing blacks and

Tolbert's to prevent blacks from voting Two of the many places they went were the home of four year old Benjamin Mays who never forgot seeing his father begging for his life and the home of James W Tolbert where 125 hooded terrorists told him to leave his home or be killed Mays grew up to become America's first great civil rights leader and the President of Morehouse College He inspired Martin Luther King Jr to become a minister instead of a lawyer Two weeks after the riot James Watson Tolbert was shot off a roof he was repairing by a group of KKK members and left for dead Part Two of this book deals with people and issues we all need to explore in order to hopefully preserve not only the Union but all of mankind and save man from himself
