The Muse of the Revolution Nancy Rubin Stuart, 2009-07-01 Praised by her mentor John Adams Mercy Otis Warren was America's first woman playwright and female historian of the American Revolution In this unprecedented biography Nancy Rubin Stuart reveals how Warren's provocative writing made her an exception among the largely voiceless women of the eighteenth

century *Auditorium Activities* Dallas (Tex.). Board of Education, 1929 **A Much Misunderstood Man** Ambrose Bierce, 2003 The binding thread throughout this edited collection of Ambrose Bierce's letters is the argument that Bierce has too often vilified as a cynical misanthrope Joshi and Schultz believe that Bierce's human side has been ignored by scholars and they work here to rectify this oversight The importance of this collection is underscored by the fact that no collection of Bierce's letters has been published since 1922 This selection represents a sampling of nearly one half million words of Bierce's correspondence which Joshi and Schultz are the first to gather and transcribe The letters reveal many sides of Bierce that he deliberately concealed in his literary work the caring father who keenly felt the deaths of his two sons and took constant interest in the welfare of his only daughter the literary giant of San Francisco who gathered around him a substantial cadre of disciples whose work he encouraged and meticulously criticized the vigorous castigator of chicanery hypocrisy and injustice wherever he saw it and the author of coyly flirtatious letters to a number of female correspondents For the first time a well rounded picture of Bierce the man and writer emerges in his own words The volume ends chillingly with Bierce's last surviving letter written from Chihuahua Mexico on December 26 1913 which concludes As for me I leave here tomorrow for an unknown destination Bierce was never heard from again The letters have been scrupulously edited from manuscript sources and exhaustively annotated to elucidate obscure historical literary and other references **BOOK JACKET Title** Summary field provided by Blackwell North America Inc All Rights Reserved **John Goodwin and the Puritan Revolution** John Coffey, 2006 A major contribution to our understanding of the English Revolution Ann Hughes Professor of Early Modern History Keele University John Goodwin 1594-1665 was one of the most prolific and controversial writers of the English Revolution his career illustrates some of the most important intellectual developments of the seventeenth century Educated at Queens College Cambridge he became vicar of a flagship Puritan parish in the City of London During the 1640s he wrote in defence of the civil war the army revolt Pride's Purge and the regicide only to turn against Cromwell in 1657 Finally repudiating religious uniformity he became one of England's leading tolerationists This richly contextualised study the first modern intellectual biography of Goodwin explores the whole range of writings produced by him and his critics Amongst much else it shows that far from being a maverick individualist Goodwin enjoyed a wide readership pastored one of London's largest Independent congregations and was well connected to various networks Hated and admired by Anglicans Presbyterians and Levellers he provides us with a new perspective on contemporaries like Richard Baxter and John Milton It will be of special interest to students of Puritanism the English Revolution and early modern intellectual history **JOHN COFFEY** is Professor of Early Modern History at the University of Leicester **Shelley and His Circle, 1773-1822** Carl H. career within the PRC As a free wheeling restless traveller in samsara the cycle of existence Jangbu has explored every corner of the Tibetan plateau with a view to understanding the culture and history of his people their plight and the key issues that Tibet faces today Widely read in world literature through Chinese translation he has traveled around the world attending international poetry meetings and film festivals taking part in university conferences and developing his passion for film This rich diversity is reflected in his poems and prose the subject matter ranging through eternal themes such as love and betrayal fantasy and magical realism mystical flight and biting social satire His poetry is experimental presenting a panorama of styles with examples in modern free verse classical Indo Tibetan metrical poetics though this is rare and more characteristically in the dense obscure poetry of the post Cultural Revolution years in China 1980s onwards for which Jangbu is particularly well known His work is often semi autobiographical written in a docu fictional mode announcing Jangbu s growing fascination for the screen St. Nicholas ,1904 **Micah, Nahum, Habakkuk, Zephaniah** Kenneth L.
