Poetry Mentor Texts Lynne Dorfman, Rose Cappelli, 2023-10-10 Building on the success of Mentor Texts and Nonfiction Mentor Texts authors Lynne R Dorfman and Rose Cappelli now turn their attention to poetry In Poetry Mentor Texts Lynne and Rose show teachers how to use poems in both reading and writing workshops and across content areas Written in a friendly conversational tone this practical book explores a variety of poetic forms including poems that inspire response list poems acrostic poems persona poems and poems for two voices versatile forms of poetry that can be used in every grade Each of these poetic forms has its own chapter featuring five poems with applications for both reading and writing classrooms Reading connections present skills and strategies to move students forward as readers helping them to build fluency vocabulary comprehension phonemic awareness and phonics Writing connections help students and teachers discover their own voices and grow as poets and wordsmiths as they try out many poetic forms Poems help students at all grade levels learn to better address complex reading texts offering them a chance to dig deeper and use higher order thinking skills Additionally Your Turn writing lessons provide a scaffold for seamlessly moving from modeling to the shared or guided experience and the transfer to independent work The Treasure Chest offers a brief annotation of the poems discussed in each chapter as well as companion pieces that extend and enhance the work of the reading and writing classroom Poetry Mentor Texts helps teachers across the curriculum guide their students to become not only skilled readers and writers but also more empathetic human beings

Abingdon Old Testament Commentaries: Psalms 1-72 Dr. Richard J. Clifford, 2002-12-01 Clifford differs from other commentators on the Psalms chiefly in his concern with the inner dramatic logic of the Psalms how they organize the experience and desires of the pray er and bring them to a proper conclusion His primary concern is to help readers see the pattern and progression within the Psalms while at the same time attending to the richness of their words and the texture of their imagery

Wax Tablets of the Mind Jocelyn Penny Small, 2003-09-02 In this volume the author argues that literacy is a complex combination of various skills not just the ability to read and write the technology of writing the encoding and decoding of text symbols the interpretation of meaning the retrieval and display systems which organize how meaning is stored and memory The book explores the relationship between literacy orality and memory in classical antiquity not only from the point of view of antiquity but also from that of modern cognitive psychology It examines the contemporary as well as the ancient debate about how the writing tools we possess interact and affect the product why they should do so and how the tasks required of memory change and develop with literacy s increasing output and evoking technologies
