

Module 4 Learning Activity 1: ACROSTIC POEM

Make your own word poetry for the three types of community (RURAL, URBAN, SUB URBAN) based on your own understanding and experience.

URBAN

U – Ultimate dream of other people is to have jobs here

R – Restaurants, hotels, clubs, and tall buildings are the usual view that you'll find here

B – Being a resident here have both pros and cons that you'll experience eventually

A – Add to your mind that life in here is busy

N – Noting in yourself that it's okay to enjoy the night life but think of the expenses and priorities you must set

RURAL

R – Reason to stay is good and fresh air

U – Unlimited vegetables and fruits because you're the one who plant it or the owner

R – Reasonable prices of the goods in the market

A – A small but enjoyable community, thanks to the friendly neighbourhood

L – Loving to see the sunrise and sunsets on a the greenly fields

SUB URBAN

S – Similar to both urban and rural community, actually a mix of them

U – Uniting people who live in Urban and Rural Community

B – Busy road, a great amount of people but not as quite as big like urban areas

U – Unique as people can experience activities with the neighbourhood

R – Residential area, a large one

B – Business are usually can be seen in everywhere

A – A preferable one to live in my opinion

Acrostic Poem For Urban:

The First Urban Churches 6 James R. Harrison, L. L. Welborn, 2021-11-05 An examination of early Roman Christianity by New Testament and classical scholars Building on the methodologies introduced in the first volume of *The First Urban Churches* and supplementing the in depth studies of Corinth Ephesus Philippi Colossae Hierapolis and Laodicea vols 2 5 essays in this volume challenge readers to reexamine what we know about the early church within Rome and the port city of Ostia In the introductory section of the book James R Harrison discusses the material and documentary evidence of both cities which sets the stage for the essays that follow In the second section Mary Jane Cuyler James R Harrison Richard Last Annelies Moeser Thomas A Robinson Michael P Theophilos and L L Welborn examine a range of topics including the Ostian Synagogue Romans 1 2 4 against the backdrop of Julio Claudian adoption and apotheosis traditions and the epistle of 1 Clement In the final section of this volume Jutta Dresken Welland and Mark Reasoner engage Peter Lampe s magnum opus *From Paul to Valentinus* Lampe wraps up the section and the volume with a response Throughout readers are provided with a rich demonstration of how the material evidence of the city of Rome illuminates the emergence of Roman Christianity especially in the first century CE

Urban Legends of the Old Testament David A. Croteau, Gary Yates, 2019-12-01 *Urban Legends of the Old Testament* surveys forty of the most commonly misinterpreted passages in the Old Testament

Urban Centers and Rural Contexts in Late Antiquity Thomas S. Burns, John W. Eadie, 2012-01-01 Recent publications on urbanism and the rural environment in Late Antiquity most of which explore a single region or narrow chronological niche have emphasized either textual or archeological evidence None has attempted the more ambitious task of bringing together the full range of such evidence within a multiregional perspective and around common themes *Urban Centers and Rural Contexts* seeks to redress this omission While ancient literature and the physical remains of cities attest to the power that urban values held over the lives of their inhabitants the rural areas in which the majority of imperial citizens lived have not been well served by the historical record Only recently have archeological excavations and integrated field surveys sufficiently enhanced our knowledge of the rural contexts to demonstrate the continuing interdependence of urban centers and rural communities in Late Antiquity These new data call into question the conventional view that this interdependence progressively declined as a result of governmental crises invasions economic dislocation and the success of Christianization The essays in this volume require us to abandon the search for a single model of urban and rural change to reevaluate the cities and towns of the Empire as centers of habitation rather than archeological museums and to reconsider the evidence of continuous and pervasive cultural change across the countryside Deploying a wide range of material as well as literary evidence the authors provide access not only into the world of lites but also to the scarcely known lives of those without a voice in the literature those men and women who worked in the shops labored in the fields and humbled themselves before their gods They bring us closer to the complexity of life in late ancient communities and in consequence closer to both urban

and rural citizens *City of Disposessions* Kyle T. Mays, 2022-05-24 In July 2013 Detroit became the largest city in U S history to declare bankruptcy The underlying causes were decades of deindustrialization white flight and financial mismanagement More recently it has been heralded a comeback city as wealthy white residents resettle there Yet as Kyle T Mays argues we cannot understand the current state of Detroit without also understanding the longer history of Native American and African American dispossession that has defined the city since its founding How has dispossession impacted the development of modern U S cities And how does comparing the historical experiences of Native Americans and African Americans in an urban context help us comprehend histories of race sovereignty and colonialism Using archives oral and family histories and community documents *City of Disposessions* is a cultural intellectual and social history that argues that physical and symbolic forms of dispossession of Native Americans and African Americans and their reactions to dispossession have been central to Detroit s modern development The book begins with the first settlement by the Frenchman Cadillac in 1701 and chronicles how the logic of dispossession has continued into the present through a wide range of forms that include memorialization of the disappearing Indian the physical dispossession of African Americans through urban renewal and gentrification Mays also chronicles the wide ranging forms of expression through which Black and Indigenous Detroiters have contested dispossession such as the Red and Black Power movements and culturally relevant education Through lively accessible prose as well as historical and contemporary examples *City of Disposessions* will be of interest to readers of urban studies Indigenous Studies and critical ethnic studies *Assessing Students with Poetry Writing Across Content Areas*

Sarah J. Donovan, Kim Johnson, Anna J. Small Roseboro, Barbara Edler, Gayle Sands, 2025-09-01 *Assessing Students with Poetry Writing Across Content Areas* reimagines formative assessment by advocating for a dynamic poetic approach that delves into students meaning making processes It is a guide for teachers seeking innovative approaches to formative assessment promoting a holistic creative reflective and collaborative learning environment It challenges the limitations of traditional worksheets and quizzes urging educators to move beyond seeking restrictive answers and embrace students texts as pathways to understanding The authors put forward poetry as a vigorous tool and writing poetry as an act to foster deep learning across content areas Practical examples of acrostic poems haiku and pantoum demonstrate the adaptability of poetic forms to diverse subjects Through adaptable lesson plans that can be used across history math world languages ELA and science the book encourages intentional poetic writing to learn activities and explores how poetry might present itself as a short creative assessment tool that helps teachers see what their students know and can do while also offering them the space to make new meaning in their original poetry This book is a key resource for in service educators teaching grades 6 12

The Proverbial Woman Amy J. Chase, 2024-10-15 Female identity is fraught and fetishized commercialized and contested so potent a weapon in contemporary cultural warfare that a sitting US senator had no shame in asking a nominee to the Supreme Court to define woman But the battle over female identity is not of modern invention Its roots are ancient

And in the Hebrew Bible one text has served as the focal point of both classical and fashionable conceptions of female identity Proverbs 31 A timeless pattern of femininity for some and a punchline for others the poems themselves have received wildly differing levels of analysis with too much ink spent on the ideal woman and far too little on political rebukes and economic displacement The Proverbial Woman offers a comprehensive narrative and dialogical approach to the text that unearths the poetry's social sexual and political silences and silencings It highlights the forgotten characters the women who destroy kings the silenced poor displaced peasants and foreigners It examines the text's conflict setting characters and dialogue It encourages the reader to recognize the drama taking place in the text's world and to explore how these features enabled an ancient community pondering these sapiential lines to process their cooperation with empire in an economic system that benefited some and exploited others The Proverbial Woman excavates the power dynamics that promote elite ideologies even as gaps ambiguities and contradictions enable marginalized perspectives within the text to resist them The interpretive approach demonstrated in this study can be replicated among communities today wanting to use biblical texts to construct for themselves a more just and prosperous world [Mastering Poetry](#) Viriversity Online Courses,2025-02-18

A Theology as Big as the City Raymond J Bakke,2025-07-29 As we look at the world class cities around our planet we face five new urban realities a crack cocaine epidemic assault weapons massive numbers of homeless children HIV AIDS and in the U S what Time magazine has called the browning of America The needs of the urban population are greater than ever As our cities swell with immigrants I m reminded that Jesus was born in a borrowed barn in Asia and became an African refugee in Egypt so the Christmas story is about an international migrant Furthermore a whole village full of baby boys died for Jesus before he had the opportunity to die for them on the cross Surely this Jesus understands the pain of children who die for the sins of adults in our cities How does God see the city What does Scripture have to say about urban ministry These are the questions Ray Bakke has systematically addressed beginning with Genesis and continuing through to Revelation Here is a biblical theology that will constantly surprise and challenge as you get a glimpse of how big God s view of the city really is

Canadian Heroes Gr. 5-8 ,

The Jewish Teachers of Jesus, James, and Jude David A. deSilva,2012-10-23 Jews have sometimes been reluctant to claim Jesus as one of their own Christians have often been reluctant to acknowledge the degree to which Jesus message and mission were at home amidst and shaped by the Judaism s of the Second Temple Period In *The Jewish Teachers of Jesus James and Jude* David deSilva introduces readers to the ancient Jewish writings known as the Apocrypha and Pseudepigrapha and examines their formative impact on the teachings and mission of Jesus and his half brothers James and Jude Knowledge of this literature deSilva argues helps to bridge the perceived gap between Jesus and Judaism when Judaism is understood only in terms of the Hebrew Bible or Old Testament and not as a living growing body of faith and practice Where our understanding of early Judaism is limited to the religion reflected in the Hebrew Bible Jesus will appear more as an outsider speaking against Judaism and introducing more that is novel Where our understanding of early Judaism is also informed by the Apocrypha and Pseudepigrapha we will see Jesus and his half brothers speaking and interacting more fully within Judaism By engaging critical issues in this comparative study deSilva produces a portrait of Jesus that is fully at home in Roman Judea and Galilee and perhaps an explanation for why these extra biblical Jewish texts continued to be preserved in Christian circles
