**Sports Plays** Eero Laine, Broderick Chow, 2021-08-19 Sports Plays is a volume about sports in the theatre and what it means to stage sports The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre The plays cut across boundaries and genres from Broadway style musicals to dramas to experimental and developmental work The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates This broad range of perspectives make the volume a compelling resource for students and scholars of sport theatre and performance studies whose interests span feminism sexuality politics and race *Front Office Fantasies* Branden Buehler, 2023-12-05 The new sports frontier that turns fans into would be execs and transforms the suits into superstars Front office executives have become high profile commentators movie and video game protagonists and role models for a generation raised in the data driven financialized world of contemporary sports Branden Buehler examines the media transformation of these once obscure management figures into esteemed experts and sporting idols Moving from Moneyball and Football Manager to coverage of analytics gurus like Daryl Morey Buehler shows how a fixation on managerial moves has taken hold across the entire sports media landscape Buehler s chapter by chapter look at specific media forms illustrates different facets of the managerial craze while analyzing the related effects on what fans see hear and play Throughout Buehler explores the unsettling implications of exalting the management class and its logics in the process arguing that sports media s managerial lionization serves as one of the clearest reflections of major material and ideological changes taking place across culture and society Insightful and timely *Front Office Fantasies* reveals how sports media moved the action from the field to the executive suite

**IT Consultant Diploma - City of London College of Economics - 12 months - 100% online / self-paced** City of London College of Economics, Overview This course deals with everything you need to know to become a successful IT Consultant Content Business Process Management Human Resource Management IT Manager s Handbook Principles of Marketing The Leadership Information Systems and Information Technology IT Project Management Duration 12 months Assessment The assessment will take place on the basis of one assignment at the end of the course Tell us when you feel ready to take the exam and we ll send you the assignment questions Study material The study material will be provided in separate files by email download link [Media Governance](#) Sarah Anne Ganter, Hanan Badr, 2022-11-30 The book offers a critical map to navigate the field of media governance A thread of cosmopolitan critique connects the fourteen chapters to enhance media governance literature beyond the West and regional foci The first part addresses the epistemological and ontological flaws in the use and adaptation of media governance The second part opens pathways for critique and provides a thorough understanding of the ambivalences that scholars encounter when addressing media governance as a field of study The third part highlights shortcomings like geographical narrowness and tensions in the

use of media governance concepts The scholarly contributions show that media governance as a field of study is far from being established its conceptualizations are in flux and need scholarly self reflection and ongoing discussions need to leave behind universalist conceptualizations and methods of analysis The chapters reflect on hegemony power sovereignty and identity as conceptual center points in media governance research The book uniquely breaks with self referential Western academia and is part of ongoing collaborative scholarly efforts towards epistemic transformation through dialogue
