REFORMING ARAB ARMIES

FLORENCE GAUB

After The Spring Reforming Arab Armies

Michal Rosen-Zvi

After The Spring Reforming Arab Armies:

After the Spring Florence Gaub, Strategic Studies Institute, U. S. Army War College, 2015-01-18 As the Arab Spring has renewed Western interest in the political as well as military role of Arab armed forces reform rather than mere assistance is crucial In this monograph the author focuses on the structural aspects of reform from which the Arab Spring forces would benefit Seven features are identified which need to be addressed when attempting Arab military reform in the countries affected by large scale unrest in 2011 an unclear mandate over politicization a challenging ongoing security situation limited resources lack of civilian oversight pockets of paramilitary activity and in parts as well as the lack of an institutional perception of reform need Their origins are elaborated as much as recommendations for what outside assistance can achieve Publisher's web site [After the Spring: Reforming Arab Armies](#) Strategic Studies Institute, U. S. Army War College Press, 2014-12-17 It is important to involve the security sector agents themselves in the process to overcome institutional opposition appealing to professional ethics and identity is equally bound to be more successful than patronizing civilian attitudes Ultimately security sector reform against the wishes of the sector in question will always result in mitigated success if not to say failure For better or for worse Arab security sectors remain one of the pillars of Arab states Without security no economic development is possible in either Libya or Egypt and economic conditions led to the 2011 events in the first place Western governments so far have refrained from extensive security sector reform in the Arab world preferring security sector assistance or occasional training What 2011 has shown however is that reforms are not only beneficial but at this stage mandatory Since civilian actors are themselves challenged by ongoing transitions the main agents in this reform will have to be the institutions themselves Understanding their concerns and needs will certainly foster their cooperation and in any case such understanding is crucial to delivering the efficient and legally bound security sector that citizens and institutions alike are striving for *After the Spring* Florence Gaub, 2014-11-19 Although Arab military forces had somewhat disappeared from the political landscape since the 1970s the events of the Arab Spring in 2011 have brought them back to the forefront of political change for better or for worse Not only were all the challenged regimes of military background i.e. in Tunisia Egypt Libya Syria and Yemen but the armed forces played a decisive role in the fall or maintenance of the regimes in question The future of these forces is therefore crucial in a continuing time of often turbulent change in the Arab world Outsiders such as the United States are challenged to go beyond classical security sector assistance and instead rethink the security sector in these states in a more holistic and comprehensive manner **Protest Publics** Nina Belyaeva, Victor Albert, Dmitry G. Zaytsev, 2019-05-10 This book examines the waves of protest that broke out in the 2010s as the collective actions of self organized publics Drawing on theories of publics counter publics and developing an analytical framework that allows the comparison of different country cases this volume explores the transformation from spontaneous demonstrations driven by civic outrage against injustice to more institutionalized forms of protest Presenting comparative

research and case studies on e g the Portuguese Generation in Trouble the Arab Spring in Northern Africa or Occupy Wall Street in the USA the authors explore how protest publics emerge and evolve in very different ways from creating many small citizen groups focused on particular projects to more articulated political agendas for both state and society These protest publics have provoked and legitimized concrete socio political changes altering the balance of power in specific political spaces and in some cases generating profound moments of instability that can lead both to revolutions and to peaceful transformations of political institutions The authors argue that this recent wave of protests is driven by a new type of social actor self organized publics In some cases these protest publics can lead to democratic reform and redistributive policies while in others they can produce destabilization ethnic and nationalist populism and authoritarianism This book will help readers to better understand how seemingly spontaneous public events and protests evolve into meaningful well structured collective action and come to shape political processes in diverse regions of the globe *Professional Journal of the United States Army* ,2012 North African Politics Yahia H. Zoubir,Gregory White,2015-09-16 In the aftermath of the turmoil that shook North Africa in late 2010 and early 2011 commentators and analysts have sought explanations to the factors that triggered the uprisings and to understand why a region seemingly characterized by relative stability for decades would suddenly erupt in convulsions Had an underlying dynamism in the region overwhelmed what were ostensibly stable authoritarian regimes What were the connections to events and dynamics beyond the region such as countries in the Middle East international commodity markets and environmental factors amongst others Why had allies abetted authoritarianism for so long and what were the implications for such alliances North African Politics Change and continuity brings together experts to explore these questions providing in depth analyses of important developments in the region which build upon and complement the 2008 companion volume North Africa Politics Region and the Limits of Transformation This 21 chapter volume is a key contribution that responds to the need in the Anglo American sphere for sustained critical studies on North Africa and examines political economic security social and military aspects of the region Focused studies on individual countries allow detailed discussion of regional factors The book also examines extrinsic trans regional dynamics such as North Africa s influential interdependencies with the Levant and the Gulf Europe Sahelian and sub Saharan Africa and North America Its innovative approach provides new perspectives on North Africa extending its research scope to include Egypt and exploring China s evolving role in the region Providing an important contribution in the assessment of the ever shifting political and social tectonics within and beyond North Africa North African Politics is an essential resource for students scholars and policy makers in Middle Eastern and North African Studies and beyond Routledge Handbook on Human Rights and the Middle East and North Africa Anthony Tirado Chase,2016-11-10 Recent events such as Iran s Green Revolution and the Arab Uprisings have exploded notions that human rights are irrelevant to Middle Eastern and North African politics Increasingly seen as a global concern human rights are at the fulcrum of the region s on the ground politics

transnational intellectual debates and global political intersections The Routledge Handbook on Human Rights and the Middle East and North Africa emphasises the need to consider human rights in all their dimensions rather than solely focusing on the political dimension in order to understand the structural reasons behind the persistence of human rights violations explores the various frameworks in which to consider human rights conceptual political and transnational international discusses issue areas subject to particularly intense debate gender religion sexuality transitions and accountability contains contributions from perspectives that span from global theory to grassroots reflections emphasising the need for academic work on human rights to seriously engage with the thoughts and practices of those working on the ground A multidisciplinary approach from scholars with a wide range of expertise allows the book to capture the complex dynamics by which human rights have had or could have an impact on Middle Eastern and North African politics This book will therefore be a key resource for students and scholars of Middle Eastern and North African politics and society as well as anyone with a concern for Human Rights across the globe

International History of the Twentieth Century and Beyond
 Antony Best, Jussi M. Hanhimäki, Joseph A. Maiolo, Kirsten E. Schulze, 2014-12-17 This hugely successful global history of the twentieth century is written by four prominent international historians for first year undergraduate level and upward Using their thematic and regional expertise the authors have produced an authoritative yet accessible and seamless account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas They focus on the history of relations between states and on the broad ideological economic and cultural forces that have influenced the evolution of international politics over the past one hundred years The third edition is thoroughly updated throughout to take account of the most recent research and global developments and includes a new chapter on the international history of human rights and its advocacy organizations including NGOs Additional new features include New material on the Arab Spring including specific focus on Libya and Syria Increased debate on the question of US decline and the rise of China A timeline to give increased context to those studying the topic for the first time A fully revised companion website including links to further resources and self testing material can be found at www.routledge.com/cw/best Antony Best is Associate Professor in International History at the London School of Economics Jussi M Hanhimäki is Professor of International History and Politics at the Graduate Institute of International Studies Geneva Joseph A Maiolo is Professor of International History at the Department of War Studies Kings College London Kirsten E Schulze is Associate Professor in International History at the London School of Economics

Transformation processes in Egypt after 2011 Radoslaw Fiedler, Przemyslaw Osiewicz, 2015-08-17 The main advantage of this monograph is that it attempts to conduct the most up to date analysis possible of the present political situation in Egypt and the Middle East Therefore we receive a monograph which allows us not only to look at the Arab Spring from a historical perspective but primarily to reflect on the consequences of these past events that it was hoped would spark political reforms in Arab states and facilitate greater public participation

in the system of governance Thus this publication allows the verification of many of the judgments and opinions expressed during the Arab Spring on the possible direction of development of the political processes initiated by the massive social revolts in Arab countries

The Middle East Ellen Lust, 2019-08-06 Written by a group of well known experts and researchers who have diligently worked and updated the book since its first edition to include the most important features of State Polity and Governance in Middle East and North Africa This book is equally useful for instructors and students Jalil Roshandel East Carolina University In the more succinct Fifteenth Edition of *The Middle East* editor Ellen Lust brings important new coverage to this comprehensive balanced and superbly researched text In clear prose Lust and her contributors explain the many complex changes taking place across the region All country profile chapters now address domestic and regional conflict more explicitly and all tables figures boxes and maps have been fully updated with the most recent data and information This best selling text not only helps readers comprehend more fully the world around them but it also enables readers to recognize and formulate policies that can more successfully engage the Middle East Give your students the SAGE edge SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review study and further exploration keeping both instructors and students on the cutting edge of teaching and learning

Military Review, 2012 **Research Handbook on Post-Conflict State Building** Paul R. Williams, Milena Sterio, 2020-08-28 As a conflict ends and the parties begin working towards a durable peace practitioners and peacebuilders are faced with the thrilling possibilities and challenges of building new or reformed political security judicial social and economic structures This Handbook analyzes these elements of post conflict state building through the lens of international law which provides a framework through which the authors contextualize and examine the many facets of state building in relation to the legal norms processes and procedures that guide such efforts across the globe The volume aims to provide not only an introduction to and explanation of prominent topics in state building but also a perceptive analysis that augments ongoing conversations among researchers lawyers and advocates engaged in the field

Reforming Pensions in Developing and Transition Countries K. Hujo, 2014-08-22 This book moves beyond technical studies of pension systems by addressing the political economy of pension reform in different contexts It provides insights into key issues related to pension policy and its developmental implications drawing on selected country studies in Africa Asia Eastern Europe the Middle East and Latin America

A New Narrative for Africa Abiodun Alao, 2019-11-27 This book examines the perception of Africa in the global system tracing Africa s transition from a problem to be solved into an agent with a rising voice in the world Mixing Afro optimism with heavy doses of Afro reality and Afro responsibility this book calls for a new political narrative about Africa that captures the multi disciplinary dimensions of Africa s transition and critically examining its ramifications The author discusses the origins of the Problem perception held about Africa and explains how things are turning around and how the continent is now becoming a voice to be heard rather than a problem to be solved He then goes on to interrogate some of the

key manifestations of this new voice and identifies how the world is responding to the new voice of Africa before finally examining some of the contradictions that have been embedded in the transition The book is strategically multi disciplinary emphasizing key disciplines of African studies in different chapters for example anthropology ethnography and philosophy in Chapter 1 history in Chapter 2 economics in Chapter 3 politics in Chapter 4 arts literature and aesthetics in Chapter 5 religion in Chapter 6 and globalization in Chapter 7 Through this A New Narrative for Africa explores and analyses several of the various strands of the African studies discipline examining the transformation of African on the global stage over the course of its history Taking an interdisciplinary approach this book will be of interest across African Studies Global Affairs Politics Economics and Development studies

Security Sector Reform in Constitutional Transitions Zoltan

Barany, Sumit Bisarya, Sujit Choudhry, Richard Stacey, 2019 The proposed collection will examine the central role of security sector reform in constitutional transitions focusing on emerging democracies Neglected as a topic in the constitutional law literature the volume will be the first to offer a sustained analysis of the legal aspects of security reform

Dictionary Of Modern Arab Histor Bidwell, 2012-10-12

From 1980 until Dr Bidwell s death in 1994 much of his time was taken up with the writing and compilation of this encyclopaedic work which represents in the true sense of the word a unique account of the Arab world from 1798 and a readable assessment of all its aspects Whereas the classical period is covered in many publications notably The Encyclopaedia of Islam the reader look up assessments and accounts of 14 presidents of modern Syria all prime ministers of Egypt the definition and effect of Resolution 242 the Istiqlal Party the Rogers Plan Saddam Hussein Dair Yassin the Agecirus Conference the Mecca Declaration the Black September Organization President Nimeiri the monarchs of Egypt Iraq and Libya King Khalid of Saudi Arabia Colonel Gaddafi Nasser the Battle of Mehran Count Folke Bernadotte the massacre of the Mamluks and President Bourguiba

Armies of Arabia Zoltan Barany, 2021-09-17 Armies of Arabia is the first comprehensive analysis of the Gulf monarchies armed forces including their political social and economic characteristics foreign relations and battleground performance The Arabian Peninsula is among the most strategically and economically important areas in the world but its militaries remain terra incognita In Armies of Arabia the first book to comprehensively analyze the Gulf monarchies armed forces Zoltan Barany explains their notorious ineffectiveness with a combination of political structural and sociocultural factors Drawing on over 150 interviews and meticulous multidisciplinary research Barany paints a fascinating portrait of Arabia s armies from Ibn Saud s Ikhwan to the present He explores the methods ruling families employ to ensure their armies loyalty examines the backgrounds and career trajectories of soldiers and officers and explains the monarchies reliance on mercenaries and the enduring importance of tribal networks Even though no other world region spends more on security Arabia s armies remain ineffective because of an absence of meritocracy the domination of personal connections over institutional norms insipid leadership a casual work ethic and training that lacks intensity frequency and up to date scenarios Massive weapons acquisitions are primarily pay offs to the

US for protecting them and have resulted in bloated and inappropriate arsenals and large scale corruption Barany explains why the Gulf Cooperation Council has been a squandered opportunity and examines the kingdoms military relationships with the Arab world and beyond The performance of the Saudi led coalition s disastrous war in Yemen starkly illustrates the Gulf armies humiliating combat record The book concludes with thoughts on waste of human potential resources institutions as a dominant theme of Gulf military affairs considers likely changes in response to long term weakening demand for oil and suggests ways in which the armies effectiveness could be raised Chock full of insights and stories from the field and written with a general audience in mind Armies of Arabia will be essential reading for anyone interested in military affairs and Middle Eastern politics society and international relations

Civil-Military Relations in the Modern Middle East David S. Sorenson, 2023-01-31 Civil Military Relations in the Modern Middle East explores the political and economic interactions between civilians and the armed forces in the post World War II Middle East emphasizing four themes military and society the role of the military in political transitions the military s part in national economies and the relations between soldiers and civilians in wartime Covering the greater Middle East including the Arab States Israel Turkey and Iran the book establishes how militaries in many Middle Eastern countries influence the national political and economic systems and how in turn politics influences the national militaries

The Politics of Fossil Fuel Subsidies and their Reform Jakob Skovgaard, Harro van Asselt, 2018-08-23 Fossil fuel subsidies strain public budgets and contribute to climate change and local air pollution Despite widespread agreement among experts about the benefits of reforming fossil fuel subsidies repeated international commitments to eliminate them and valiant efforts by some countries to reform them they continue to persist This book helps explain this conundrum by exploring the politics of fossil fuel subsidies and their reform Bringing together scholars and practitioners the book offers new case studies both from countries that have undertaken subsidy reform and those that have yet to do so It explores the roles of various intergovernmental and non governmental institutions in promoting fossil fuel subsidy reform at the international level as well as conceptual aspects of fossil fuel subsidies This is essential reading for researchers and practitioners and students of political science international relations law public policy and environmental studies This title is also available as Open Access

The European Union and Its Eastern Neighbourhood Andriy Tyushka, Tobias Schumacher, 2021-11-29 This edited volume brings together some of the most important scholarly perspectives in the form of both journal article reprints and original contributions on the structure and dynamics of the EU s multi layered relations with its Eastern neighbours within the Eastern Partnership EaP framework and beyond In May 2019 the EU s EaP an ambitious and sophisticated policy framework conjoining elements of cooperation and integration with the EU s six eastern neighbours i e Ukraine Belarus Moldova Georgia Armenia and Azerbaijan turned ten years This anniversary in conjunction with repeatedly voiced critique by scholars and policy makers alike regarding the framework s effectiveness and utility led the EU to submit the EaP to a fundamental auditing and revision Structured around both enduring and

emerging issues in the broader EU Eastern neighbourhood framework this book provides a retrospective analysis of key structural and relational challenges unfolding regional dynamics distinctive forms of bilateral multilateral engagement whilst also offering a critical perspective on the contested future relations between the EU and its Eastern neighbours Looking backwards and providing a critical and thorough assessment of the first ten years of the EaP in practice this book thinks forward and gauges its many potential future avenues This comes at a crucial moment as the EU and its six Eastern neighbours are in search of new and mutually acceptable forms of association

After The Spring Reforming Arab Armies Introduction

In the digital age, access to information has become easier than ever before. The ability to download After The Spring Reforming Arab Armies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download After The Spring Reforming Arab Armies has opened up a world of possibilities. Downloading After The Spring Reforming Arab Armies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading After The Spring Reforming Arab Armies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download After The Spring Reforming Arab Armies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading After The Spring Reforming Arab Armies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading After The Spring Reforming Arab Armies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download After The Spring Reforming Arab Armies has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About After The Spring Reforming Arab Armies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. After The Spring Reforming Arab Armies is one of the best book in our library for free trial. We provide copy of After The Spring Reforming Arab Armies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with After The Spring Reforming Arab Armies. Where to download After The Spring Reforming Arab Armies online for free? Are you looking for After The Spring Reforming Arab Armies PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another After The Spring Reforming Arab Armies. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of After The Spring Reforming Arab Armies are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You

will also see that there are specific sites catered to different product types or categories, brands or niches related with After The Spring Reforming Arab Armies. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with After The Spring Reforming Arab Armies To get started finding After The Spring Reforming Arab Armies, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with After The Spring Reforming Arab Armies So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading After The Spring Reforming Arab Armies. Maybe you have knowledge that, people have search numerous times for their favorite readings like this After The Spring Reforming Arab Armies, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. After The Spring Reforming Arab Armies is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, After The Spring Reforming Arab Armies is universally compatible with any devices to read.
