

## Fights and Protest

### The Civil Rights Movement in the United States

#### DBQ Test

Directions: Answer questions using the documents and your own knowledge.

1. (a) According to source A, why was direct action needed in the fight for civil rights? (3 marks)  
  
(b) What does source B suggest about African American voter registration between 1960 and 1968? (2 marks)
2. With reference to its origin, purpose and content assess the values and limitations of source C for historians studying the Civil Rights Movement. (4 marks)
3. Compare and contrast the views expressed in sources A and D. (6 marks)
4. Using the sources and your own knowledge, evaluate the techniques utilized in the Civil Rights Movement and analyse their effectiveness in successfully advancing the movement. (8 marks)

**Source A - Reverend Martin Luther King Jr - Letter from a Birmingham Jail (April 16, 1963):**

"... You may well ask: "Why direct action? Why sit-ins, marches and so forth? Isn't negotiation a better path?" You are quite right in calling for negotiation. Indeed, this is the very purpose of direct action. Nonviolent direct action seeks to create such a crisis and foster such a tension that a community which has consistently refused to negotiate is forced to confront the issue. It seeks so to dramatize the issue that it can no longer be ignored. My citing the creation of tension as part of the work of the nonviolent-resister may sound rather shocking. But I must confess that I am not afraid of the word "tension." I have earnestly opposed violent tension, but there is a type of constructive, nonviolent tension which is necessary for growth. Just as Socrates felt that it was necessary to create a tension in the mind, so that individual would rise from the bondage of myths and half-truths to the unfettered realm of creative analysis and objective appraisal, we must see the need for nonviolent gadflies to create the kind of tension in society that will help men rise from the dark depths of prejudice and racism to the majestic heights of understanding and brotherhood..."
