Handbook of Family Literacy Barbara H. Wasik, 2012-08-06 The

Handbook of Family Literacy 2e provides the most comprehensive up to date coverage of family literacy of any available book. It documents the need for literacy education for children and parents, describes early literacy and math development within the home, analyses interventions in home and center settings and examines the issues faced by fathers and women with low literacy skills. Cultural issues are examined especially those for Hispanic, African American, American Indian, Alaskan Native and migrant populations. Noted experts throughout the United States, Canada, England, the Netherlands, Germany, New Zealand and South Africa analyze the commonalities and differences of family literacy across cultures and families. Key features include the following:

- Comprehensive:** Provides updated information on the relation between early childhood literacy development, parenting education and intervention services.
- Research Focus:** Provides an extensive review of experimental studies including national reviews and meta analyses on family literacy.
- Practice Focus:** Provides a comprehensive treatment of family literacy interventions necessary for program developers, policy makers and researchers.
- Diversity Focus:** Provides detailed information on cultural and diversity issues for guiding interventions, policy and research.
- International Focus:** Provides an international perspective on family literacy services that informs program developers, researchers and policy makers across countries.
- Evaluation Focus:** Provides detailed guidelines for ensuring program quality and fidelity and a valuable new evaluation perspective based on implementation science.

This book is essential reading for anyone: researchers, program developers, students, practitioners and policy makers who need to be knowledgeable about intervention issues, family needs, program developments and research outcomes in family literacy.

The Handbook of Teaching Qualitative and Mixed Research Methods Alissa Ruth, Amber Wutich, H. Russell Bernard, 2023-12-01. The Handbook of Teaching Qualitative and Mixed Research Methods: A Step by Step Guide for Instructors presents diverse pedagogical approaches to teaching 71 qualitative and mixed methods. These tried and true methods are widely applicable to those teaching and those being trained in qualitative and mixed methods research. The methods for data collection cover ethics, sampling, interviewing, recording, observations of behavior, Indigenous and decolonizing methods and methodologies as well as visual and participatory methods. Methods for analyzing data include coding and finding themes, exploratory and inductive analysis, linguistic analysis, mixed methods analysis and comparative analysis. Each method has its own 1,500 word lesson, i.e. chapter written by expert methodologists from around the globe. In these lessons contributors give the reader a brief history of the method and describe how they teach it by including their best practices with succinct step by step instructions focusing on student centered, experiential and active learning exercises. This comprehensive one of a kind text is an essential reference for instructors who teach qualitative and or mixed methods across the Social and Behavioral Sciences and other related disciplines including Anthropology, Sociology, Education and Health Nursing research.
