Matter of Principle R8mans L. A. Damon, 2025-09-24 Each time I wanted to tell what happened in the yard I'd had the same thought I needed to tell someone in church first I didn't even go to church Dogs and cats including barn cats skunks coyotes praying mantis snakes and a one legged roadrunner occupied space on the property I told God I would never ever work for an employer involved in a church the same as my last employer I would never have anything to do with anyone connected to that church God however had other plans During training required by the employer hints emerged about who was involved in this church without naming names I did not care who they were or where they went to church and pretended to be of another faith I left the area to start anew in another town or so I thought Unfamiliar vehicles with familiar people showed up at work parked near my residence and followed me to and from work What part of Leave me alone was not understood I remembered how my former employer's church did not have a dead list of people who did not want anything to do with the church believing people really needed only this church From town to city to work to retail to the airport to church to the doctor to home and more I began to see they were exactly where they were indicated during training all those years ago Not that I cared to know Still this wasn't about me It was about God's purpose God opened doors for his purpose The good the bad the ugly He was with me every step One day while working on the property when again all became perfectly silent and still God gave the following words There are questions now Years from now there will be answers Then controversy then calm
