Heaven's Lessons Steve Sjogren,2013-02-18 If you d asked me who God is on December 9 the year of my accident I would have been able to give you a fairly cohesive but theoretical answer A day later all of that changed A simple surgery went horribly wrong Steve Sjogren died on the operating table He encountered a heavenly world where he felt infinite peace And then he had to come back back to a physical reality filled with pain and disability and an endless line of tests The drama of dying suddenly paled in comparison to the trauma of living Sjogren could not face this new existence with his same old comfortable understanding of God I had minimized God Sjogren says Somehow over time he had become fairly predictable like he could be outlined fully grasped and contained in a neat set of mere ideas Now I saw that he apparently wasn t all that impressed with my cool little notebooks One day in heaven followed by hundreds in agony forged a deeper and stronger faith than Sjogren could have crafted on his own In Heaven s Lessons Sjogren shares his experiences and the life changing ways they have affected his perspective on success suffering and the mysteries of God Watch the trailer here <http://www.youtube.com/watch?v=5l4jugXqiBU>

Money, Possessions, and Eternity Randy Alcorn,2011-11-15 Who wants to settle for fleeting treasures on earth when God offers everlasting treasures in heaven It s time to rethink our perspectives on money and possessions In this thoroughly researched classic Randy Alcorn shows us how to view these things accurately as God s provision for our good the good of others and his glory Alcorn presents a biblical and comprehensive view of money and possessions including the following Why is money so important to God Is prosperity theology right or wrong How can we be liberated from materialism What should we do about debt How much does God want us to give How can we best help the poor and reach the lost What about gambling Investing Insurance Saving Retirement Inheritance How can we leave our children a true heritage How can we use money in ways that God rewards This practical and refreshing theology of money contains topical and Scripture indexes a study guide and five helpful appendices

Safely Home Randy Alcorn,2011-07-29 Is this the day I die Li Quan asks himself this question daily knowing that he might be killed for practicing his faith American businessman Ben Fielding has no idea what his brilliant former college roommate is facing in China He expects his old friend has fulfilled his dream of becoming a university professor But when they are reunited in China after twenty years both men are shocked at what they discover about each other Thrown together in an hour of encroaching darkness both must make choices that will determine not only the destinies of two men but two families two nations and two worlds

The Treasure Principle, Revised and Updated Randy Alcorn,2017-07-18 Discover how the joy of giving can make your life richer starting today Bestselling author Randy Alcorn introduced readers to a revolution in material freedom and radical generosity with the release of the original The Treasure Principle in 2001 Now the revision to the compact perennial bestseller includes a provocative new concluding chapter depicting God asking a believer questions about his stewardship over material resources Jesus spent more time talking about money and possessions than about heaven and hell combined But too often we ve overlooked or misunderstood his most profound teaching on this topic from his words in Matthew 6 Jesus offers us life changing investment advice He actually wants us to store up treasures for ourselves just not here on earth Instead he urges us to store our treasure in heaven where they will await us and last forever We can t take it with us but we can send it on ahead Readers are moved from the realms of thoughtful Bible exposition into the highly personal arena of everyday life Because when Jesus told His followers to lay up for yourselves treasures in heaven He intended that they discover an astounding secret how joyful giving brings God maximum glory and His children maximum pleasure In The Treasure Principle you ll unearth a radical teaching of
