Rifkin,2022-11-03 After suffering a life changing trauma at the tender age of four when he found his

infant brother dead in his crib Dr Rifkin went on a lifelong quest to know and understand the workings of God His journey took him to northern California to study with the Beatles guru and to Machu Picchu to study with Incan shamans He lived in an Indian ashram for eleven years and studied Zen yoga and the occult But it wasn't until Jesus revealed himself that his pain was overtaken by the love and peace that only Jesus provides Despite being raised Jewish Dr Rifkin fully embraced his Messiah and led many of his family to salvation He has spent nearly forty years as a licensed therapist helping others to repair their marriages and work their way through their own emotional pain In 2011 his practice was interrupted when he learned that despite knowing Jesus and living a very healthy lifestyle he inherited his family's genetic and devastating disease which destroys and eventually shuts down the functioning of both kidneys Polycystic kidney disease had him on daily dialysis at home which exhausted him His thirteen year old son would keep him company all the while fearful that his father would die before finding a new kidney To make matters worse his wife of eighteen years no longer wanted to remain married Feeling very alone he turned to Jesus and was told by the Holy Spirit that he was about to be the recipient of a miracle Then eleven months later after being prompted by the Holy Spirit he put his request for a living donor on social media and he received a perfect kidney from a complete stranger Today Dr Rifkin is remarried to the love of his life and has recently learned that polycystic kidney disease has affected his liver to the point where he will need a transplant After hours of prayer he was reassured that he will be successful in this transplantation and looks forward to living out his life with his beautiful wife serving the Lord

*Back to Reason* Anne Caryl,2009-04-13 Back to Reason is a very short book about a very small town A hometown People in Reason still mark a contract by shaking hands They still turn out for things like high school football games and band concerts People in Reason aren't crazy from the traffic or the noise or the crowding Crazy people in Reason are just crazy But they're OUR crazy people and we like them that way Some stories in Back to Reason are belly laugh funny others will make you sigh They all will make you wish that at the end of the day you were going home to Reason **The Principles of Faith** Dr. Joshua Joy Dara Sr.,2008-11-25 The word faith is quite familiar to most Christians in the world I first heard about it as a little boy growing up in rural Africa Like most people the idea of having faith in God sounds good to my ears However as I mature in the Lord and heard many people teach about faith I began to see many loop holes and outright misinformation on the subject I must admit that it provoked me to start a long journey of trying to get a clearer picture of what faith is really about I simply wanted to find an answer to simple questions like what is faith how do I get it and how do I use it effectively Like King Solomon I gave my heart to seek and search out by wisdom concerning all things that is done under heaven Ecclesiastes 1:13 The goal of this book is to share with you what I have discovered and learned about faith over the past several years of seeking and searching the heart of God concerning the subject matter Also I would like to share with you some of my own personal faith walk experiences in life I believe that one can learn from the experience of others I want you to be able to learn from my life what I called my faith walk experiences Finally it is my earnest desire to teach you about faith in such a way that you would never have any misunderstanding concerning the subject In short my assignment is to help you avoid the errors and pitfalls of many teachers and instead reveal to you the heart of God concerning the subject of faith Believe me if you read this book prayerfully with an open mind your life would never be the same again
