Hi! We went to Lyme Regis for our holiday. It rained every day, but we did lots of interesting things. We went to an aquarium. It was small, but there were lots of fish. We watched a funny film at the cinema. We went for a walk in the rain. There was a lot of mud and I got dirty. On the last day, we went to a museum and I learned about Mary Anning. She lived in Lyme Regis about 200 years ago. Her parents didn't have much money. She collected shells on the beach and people bought them. One day, she found fossils on the beach. She wrote about the fossils and dinosaurs in newspapers. Scientists

visited Mary because they wanted to see the fossils. The fossils changed how people think about the history of animals. Mary Anning didn't study Science at university, but she learned a lot about dinosaurs. She is famous because she found those fossils.

See you soon, Alex
