authorities in Charleston South Carolina learned of plans among the city's enslaved and free Black population to lead an armed antislavery rebellion. Among the leaders was a free Black carpenter named Denmark Vesey. After a brief investigation and what some have considered a dubious trial, Vesey and thirty-five others were convicted of attempted insurrection and hanged. Although the rebellion never came to fruition, it nonetheless fueled Black antislavery movements in the United States and elsewhere. To this day, activists, politicians, writers, and scholars debate the significance of the conspiracy, how to commemorate it, and the integrity of the archival records it left behind. Fugitive Movements memorializes this attempted liberation movement with new interpretations of the event as well as comparisons to other Black resistance throughout the Atlantic World, including Africa, the Caribbean, and the Northern United States. This volume situates Denmark Vesey and antislavery rebellion within the current scholarship on abolition that places Black activists at the center of the story. It shows that Black antislavery rebellion in general and the 1822 uprising by Black Charlestonians in particular significantly influenced the history of slavery in the Western Hemisphere. The essays collected in this volume explore not only that history but also the ongoing struggle over the memory of slavery and resistance in the Atlantic World.

Manisha Sinha, James L. and Shirley A. Draper Chair in American History at the University of Connecticut and author of *The Slave's Cause: A History of Abolition*, provides the foreword. Civic Courier ..., 1912. Courier-Journal Almanac, 1901. The Humana Festival. Jeffrey Ullom, 2008-06-19. Far from the glittering lights of Broadway in a city known more for its horse racing than its artistic endeavors, an annual festival in Louisville, Kentucky, has transformed the landscape of the American theater. The Actors Theatre of Louisville, the Tony Award-winning state theater of Kentucky, in 1976 successfully created what became the nation's most respected new play festival, the Humana Festival of New American Plays. The Humana Festival: The History of New Plays at Actors Theatre of Louisville examines the success of the festival and theater's Pulitzer Prize-winning productions that for decades have reflected new play trends in regional theaters and on Broadway, the result of the calculated decisions, dogged determination, and good luck of its producing director, Jon Jory. The volume details how Actors Theatre of Louisville was established, why the Humana Festival became successful in a short time, and how the event's success has been maintained by the Louisville venue that has drawn theater critics from around the world for more than thirty years. Author Jeffrey Ullom charts the theater's early struggles to survive the battles between troupe leaders and the desperate measures to secure financial support from the Louisville community. He examines how Jory established and expanded the festival to garner extraordinary local support, attract international attention, and entice preeminent American playwrights to premier their works in the Kentucky city. In *The Humana Festival*, Ullom provides a broad view of new play development within artistic, administrative, and financial contexts. He analyzes the relationship between Broadway and regional theaters, outlining how the Humana Festival has changed the process of new play development and even Broadway's approach to discovering new work, and also highlights the struggles facing regional theaters across the country as they strive to balance artistic ingenuity and

economic viability Offering a rare look at the annual event The Humana Festival provides the first insider's view of the extraordinary efforts that produced the nation's most successful new play festival **Report of the Auditor General on the Accounts of Gaborone City Council for the Financial Year Ended** Gaborone (Botswana).
