

Grand Rapids Spring Sprints Ergatta Waiver

IN CONSIDERATION of being given the opportunity to participate in any Grand Rapids Spring Sprints (GRSS) activity, including scheduled, supervised club activities, and registered regattas, during the term 1/1/20 – 12/31/20, I, for myself, my personal representatives, assigns, heirs, and next of kin,

1. I ACKNOWLEDGE, agree and represent that I understand the nature of Rowing and Indoor Rowing/Erg

Activities, and that I am qualified, in good health, and in proper physical condition to participate in such Activity.

2. I FULLY UNDERSTAND that: (a.) ROWING ACTIVITIES INVOLVE RISKS AND DANGERS of serious bodily injury, including permanent disability, paralysis and death ("Risks"); (b.) these Risks and dangers may be

caused by my own actions, or inactions, the actions or inactions of others participating in the Activity, the condition in which the Activity takes place, or the negligence of the

Release named below; (c.) there may be other risks and social and economic losses either not known to me or not readily foreseeable at this time; and I FULLY ACCEPT AND ASSUME ALL SUCH RISKS AND ALL RESPONSIBILITY FOR LOSSES, COSTS, AND DAMAGES I incur as a result of my participation in the Activity.

3. I AGREE AND WARRANT that I will examine and inspect each Activity in which I take part as a member of GRSS and that, if I observe any condition which I consider to be unacceptably hazardous or dangerous, I will notify the proper authority in charge of the Activity and will refuse to take part in the Activity until the condition has been corrected to my satisfaction.

4. I HEREBY RELEASE, discharge, and covenant not to sue GRSS, the Club, the Regatta, their administrators, directors, agents, officers, volunteers and employees, other participating regatta organizers, any sponsors, advertisers, and if applicable, owners and lessors of premises, on which the Activity takes place, (each considered one of the Releasees herein) from all liability, claims, demands, losses or damages on my account caused or alleged to be caused in whole or in part by the negligence of the Releasee or otherwise, including negligent safety operations; and I further agree that if, despite this release and waiver of liability, assumption of

risk, and indemnity agreement, I, or anyone on my behalf, makes a claim against any of the Releasees, I WILL INDEMNIFY, SAVE AND HOLD HARMLESS each of the Releasees from any litigation expenses, attorney fees, loss, liability, damage, or cost which any may incur as a result of such claim, to the fullest extent permitted by law.

I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid, the balance, notwithstanding, shall continue in full force and effect.

Textbook Of Occupational Medicine Practice (Fourth Edition) David Soo Quee Koh, Tar-ching Aw, 2017-08-22 The text is generally very readable the scientific quality of the content is above reproach and the content is very comprehensive within the confines of the size of the actual book In my opinion the book meets the needs of the varied targeted audience and I would regard it as good value for money I would consider the book useful for occupational practitioners particularly those in training who would gain a global perspective on

many of the issues of occupational medicine Journal of Occupational Medicine This fourth edition continues to provide a link between occupational health and clinical practice It covers target organ systems that can be affected by hazardous exposures in workplaces and it focuses on the clinical presentations investigations and management of affected individuals We have retained consideration of some special issues relevant to occupational medicine practice in this new edition The main emphasis continues to be prevention of disease and early detection of health effects This edition of the book has been updated to include new materials topics and references We have retained a few of the previous case studies and illustrations and introduced several new ones There are new chapters on audit and evidence based practice and on occupational cancer We trust that this edition addresses many of the recommendations that were provided by readers of the previous edition We have again asked international experts to author many of the chapters Some of the authors are from Asia and others from the US UK the Middle East and Australia All the authors will have either clinical or academic experience in occupational medicine practice The book will be of interest to medical practitioners especially those in primary care and doctors intending to pursue a career in occupational medicine It would also be relevant for non medical health and safety professionals wanting to know more about health effects resulting from occupational exposures Other groups who may find this edition useful as a ready reference are medical students occupational health nurses or clinical specialists in fields such as dermatology respiratory medicine or toxicology The book is targeted at all those who are interested in the interaction between work and health and how occupational diseases and work related disorders may present Related Link s **Textbook Of**

Occupational Medicine Practice (Fifth Edition) David Soo Quee Koh, Wee Hoe Gan, 2022-04-07 Following the success of the fourth edition which was highly commended in the primary health care category for the 2018 British Medical Association BMA Medical Book Awards this fifth edition has been substantially revised and updated to reflect significant changes in health care practice and to incorporate the explosion of information since the advent of the fourth industrial revolution and the COVID 19 pandemic As before the book covers target organ systems that can be affected by hazardous exposures in traditional industries and modern workplaces both of which coexist in different parts of the world and present unique occupational health challenges for the medical practitioner To this end this reference textbook focuses on the clinical presentations investigations and medical and work centric management of affected individuals We have retained consideration of some special issues relevant to occupational medicine practice in this new edition and included a new section relating to the multidisciplinary nature of occupational health practice The main emphasis continues to be prevention of disease and early detection of health effects caused by work exposures This edition of the book has been updated to include new information and references We have kept some of the previous case studies and illustrations and introduced several new ones some of which reflect the changes of practice due to the COVID 19 pandemic for example in risk communication recognition and management of the risks of health care and frontline work We have again asked international

experts in occupational medicine and cross disciplinary medical specialties to jointly author many of the chapters Some of the authors are from Asia and others from Europe the United States United Kingdom and Australia All the authors have either clinical and or academic experience in or related to occupational medicine practice The book is targeted at all those who are interested in the interaction between work and health and how occupational diseases and work related disorders may present and be managed It will be of interest to medical practitioners especially those in primary care and doctors intending to pursue a career in occupational medicine It would also be relevant for allied health and safety professionals wanting to know more about health effects resulting from occupational exposures Other groups who may find this edition useful as a ready reference are medical students occupational health nurses or clinical specialists in diverse fields such as dermatology respiratory medicine infectious diseases or toxicology *AGARD Conference Proceedings* North Atlantic Treaty
