*Marketing Customer Interface* Rosemary Phipps, Craig Simmons, 2001. The Marketing Customer Interface 2001-2002 is a specifically tailored coursebook for students undertaking the Marketing Customer Interface module of the CIM Advanced Certificate. Butterworth Heinemann have worked closely with the Education Division of the CIM to ensure that all aspects of the text are up to date and correspond to the CIM's requirements, making this title the definitive companion to this year's course. Its comprehensive content and user-friendly text layout are designed to facilitate learning with questions, activities, definitions, and study tips to support the theory, while the structured study units link the information directly to the CIM syllabus. The new edition of this text contains a firmly international perspective, new material to cover e-marketing issues, new and up-to-date examples and case studies to illustrate the theory, additional text references and website references, preparatory aids for the final exam, including the most recent exam papers, examiners' marking schemes, and specimen answers. Comprehensive yet uniquely accessible, it provides essential support for anyone undertaking a CIM course, completely revised and updated to fit in with CIM Marketing Customer Interface syllabus, officially endorsed by the CIM, approved by the CIM Chief Examiner.

*Social Media in Travel, Tourism and Hospitality* Evangelos Christou, 2016-04-01. Social media is fundamentally changing the way travellers and tourists search, find, read, and trust, as well as collaboratively produce information about tourism suppliers and tourism destinations. Presenting cutting-edge theory, research, and case studies investigating Web 2.0 applications and tools that transform the role and behaviour of the new generation of travellers, this book also examines the ways in which tourism organisations reengineer and implement their business models and operations such as new service development, marketing, networking, and knowledge management. Written by an international group of researchers widely known for their expertise in the field of the Internet and tourism, chapters include applications and case studies in various travel, tourism, and leisure sectors.

[Essential Personal Finance](#) Lien Luu, Jonquil Lowe, Jason Butler, Tony Byrne, 2017-02-24. Young people face unprecedented financial challenges: rising student debt, stiff competition for jobs, barriers to home ownership, dwindling state benefits, and prospects of a longer working life. Today, students need

financial knowledge and skills more than ever before not just to build their own financial security but to create the new generation of advisers that can help all citizens navigate the complex world of personal finance Essential Personal Finance is a guide to all the key areas of personal finance budgeting managing debt savings and investments insurance securing a home and laying the foundations for retirement It also provides an introduction to some of the essential foundations of a modern undergraduate finance qualification including The nature of financial institutions markets and economic policy that shape the opportunities and decisions that individuals face The range of financial assets available to households the risk return trade off basics of portfolio construction and impact of tax The importance of the efficient market hypothesis and modern portfolio theory in shaping investment strategies and the limitations of these approaches Behavioural finance as a key to understanding factors influencing individual and market perceptions and actions Using financial data to inform investment selection and to create financial management tools that can aid decision making A comprehensive companion website accompanies the text to enhance students learning and includes answers to the end of chapter questions Written by authors who contribute experience as financial advisers practitioners and academics Essential Personal Finance examines the motivations methods and theories that underpin financial decision making as well as offering useful tips and guidance on money management and financial planning The result is a compelling combination of an undergraduate textbook aimed at students on personal finance and financial services courses and a practical guide for young people in building their own financial strength and capability

**Commercialising Celebrity Persona** Emma Perot, 2023-09-07 This book investigates the commercialisation of celebrity persona in the UK New York and California Interviews with 68 practitioners across the advertising merchandising film and video game industries provide insight on the differences in approaches across jurisdictions as well as the similarities caused by non legal factors Furthermore the book addresses the developments in technology social media and social norms that have made collaboration attractive to maintain favour with fans The book considers how the extension of passing off in the UK to include persona rights impacts the dispute resolution and transactional spheres involved in the commercialisation of persona It compares the industry landscape to that of the US where the right of publicity has been recognised since 1953 and has gone as far as to protect identity The book argues that nonlegal factors significantly impact the commercialisation of persona across the jurisdictions and interact with the law to encourage permission based behaviours However there remains a divergence in the dispute resolution sphere Anyone who is interested in the multi million dollar business of celebrities as assets will benefit from this book
