

Dinge wat my laat gril...

'n Vlermuis wat vlieg is glad nie so erg soos 'n spinnekop, rot of as iemand in jou oor fluister nie. Ja, almal sê mos dat meisies meer as seuns gril en seuns nie eers omgee oor spinnekope nie. Meisies is mos net dramaties maar my broer, wat sestien is, is bang vir 'n klein spinnekoppie. Ek lag nie, want 'n spinnekop laat my hart baie vinniger klop.

Ek het 'n paar probleme met 'n spinnekop. Eerstens lyk sy liggaam snaaks, die manier hoe die beentjies beweeg, maak my naar. Die diertjies hardloop blitsvinnig in jou kombuis rond, maar hulle doen dit sonder dat jy dit besef. Hulle kan enige oomblik op die brood gaan sit en eiers lê.

Ek haat enige diertjie of insek wat kieme versprei, byvoorbeeld die spinnekop, maar daar is een ding wat ek glad nie kan hanteer nie en dit is as iemand in my oor fluister. Die idee daaraan maak my sommer ongemaklik! My "lieflike" broer geniet dit natuurlik om my hiermee te pla. Ek raak dan sommer vinnig smoorkwaad, maar bring 'n groot spinnekop naby hom en hy tjank soos 'n pasgebore babatjie!

Daar is dus twee goed waarmee jy my nooit moet probeer skrikmaak of laat gril nie, anders lei dit na 'n blik Doom, 'n doole spinnekop, asook 'n gebreekte tand...

Marli du Plessis

Dáárdie dag sal ek nooit vergeet nie

Noudat ek daaraan dink, is een van my gunsteling-herinneringe die dag toe ons in die poele gaan baljaar het. Dit was 'n lieflike, sonskyndag en ons was by my tannie in Worcester. Ons gaan kuier elke jaar vir hulle, maar my niggies en nefie het daardie dag besluit hulle wil vir my en my broer op 'n uitstappie neem.

Ons het die pad wat uit die dorp lei, gevat en lekker kossies saamgeneem. Toe ons uiteindelik stop, moes ons begin loop en loop en nog 'n bietjie loop. Dit was alles die moeite werd, want die poele was pragtig!

Jy kon tot op die rotse staan en dan die bodem van die poel sien. Ons het hope pret daar gehad en dis ook toe ek my niggie se kêrel ontmoet het. Hulle het hierdie jaar verloof geraak.

Ons het van die rotse af ingespring, geswem en my nefie het 'n koeldrankblikkie ontdek wat hy twee maande terug in dieselfde poel laat val het. Ons het ook soos dassies in die son, op die rotse, gelê en bak terwyl ons lekkernye geëet het.

Dis 'n dag wat ek nooit sal vergeet nie, al was die water yskoud en die staptog lank, sal ek altyd terugdink aan daardie dag en al die pret wat ons in die poele van Worcester gehad het.

Afrikaans Essay On Drugs

Max du Preez

Afrikaans Essay On Drugs:

What Racists Believe Gerhard Schutte, 1995 In many democratic societies racial inequality persists despite its legal abolition At the point of entering a democratic era South Africa is dismantling its legally structured system of inequality However the structures of consciousness that gave rise to and nurtured a system of white privilege and predominance are tenacious and enduring In *What Racists Believe* Gerhard Schutte examines a wide spectrum of evidence showing how the in group consciousness of whites is reproduced and illustrating the processes under which it is maintained He explains how and why people believe in racial inequality and how they transmit these beliefs to others The ideology of white solidarity its perpetuation and its breakdown is also analyzed In the author's analysis he separates different strands of racism rural from urban and moderate from militant A final chapter compares racial attitudes in contemporary America and South America Students scholars and anyone interested in race relations sociology anthropology political science and African studies will surely appreciate the fascinating study found in *What Racists Believe* *World Literature Today*, 1999 **TDR.**, 2001

Between Union and Liberation Marion Arnold, 2017-07-05 The essays collected here investigate art made by women in South Africa between 1910 the year of Union and 1994 the year of the first democratic election During this period complex political circumstances and the impact of modernism in South Africa affected the production of images and objects The essays explore the ways in which the socio political circumstances associated with twentieth century modernity had a paradoxical impact on women If some were empowered others were disadvantaged while some were able to further their social and cultural development and expression the advancement of others was impeded The contributors study the lives and achievements of women named and unnamed black and white and from different cultural groups and social contexts and consider objects and images that are historically associated with both art and craft In all the essays gender theory is related to South African circumstances The volume explores gender theory in relation to twentieth century visual culture and discusses economic conditions and regional geographies as well as notions of identity It investigates the influence of educational and cultural institutions the role of theory on art practice debates about material culture the power of nationalist ideologies and the role of feminist theories in a changing country A wide range of visual images and objects provide the touchstone for debate and analysis paintings sculptures photography baskets tapestries embroideries and ceramics so that the book is richly visual and celebrates the diversity of South African art made by women *Pale Native* Max du Preez, 2011-02-08 Max du Preez has one hell of a story to tell In his career as a renegade reporter he's survived three dismissals seven libel suits thirteen criminal cases four aeroplane crashes a bombing two assassination attempts and was a regular on right wing hit lists He was in Soweto on 16 June 1976 witnessed the debauched parties of apartheid cabinet ministers and stepped over dead bodies in a bombed Angolan village He looked into apartheid killer Dirk Coetzee's eyes and published his story of police death squads and when he visited Vlakplaas himself he was lucky to get out alive Max is best

known as founder and editor of the Afrikaans newspaper Vrye Weekblad and for his weekly television report on the Truth Commission and the programme Special Assignment His story takes you on a remarkable journey from the contradictions of history to the triumphs and troubles of the present from the halls of parliament to the desert of Namibia from burning townships to the headquarters of covert operations You ll meet generals and guerrillas presidents and hit men And its all reported with the straight shooting uncompromising outspoken frankness that has won him admiration and got him into trouble with the new government as well as the old Pale Native is a story filled with drama about the risks of investigative journalism in the front line It s controversial because Max as always is not afraid to expose what others want hidden from view It s insightful giving a fascinating analysis of southern African politics from a skilled reporter who has seen it first hand
