Argiefjaarboek vir Suid-Afrikaanse geskiedenis ,1972 **International Handbook of Urban Education** William T. Pink,George W. Noblit,2008-09-03 It is evident that urban education has become the central focus of educators at the present time In the U S for example almost one third of all school age children attend schools in large urban school districts It is in these urban schools where the diversity of cultures and languages is highest and where student learning is most problematic What has emerged from recent work to improve urban schools is the insight that there is no one size fits all panacea Rather we have discovered that the local context shapes in critically important ways what will be effective at the school level The universality of the problematics with urban education together with the importance of understanding the local or situated context of improvement interventions brings into sharp focus the importance and timeliness of an undertaking like the International Handbook of Urban Education An important focus of the International Handbook of Urban Education will be the interrogation of both the social and political factors that lead to different problem posing and subsequent solutions within each region An important question to be answered for example is what it takes in terms of resources political will and policy actions to improve urban education **Resources in Education** ,1995 **Assessing Academic Literacy in a Multilingual Society** Albert Weideman,John Read,Theo du Plessis,2020-11-02 South African universities face major challenges in meeting the needs of their students in the area of academic language and literacy The dominant medium of instruction in the universities is English and to a much lesser extent Afrikaans but only a minority of the national population are native speakers of these languages Nine other languages can be media of instruction in schools which makes the transition to tertiary education difficult enough in itself for students from these schools The focus of this book is on procedures for assessing the academic language and literacy levels and needs of students not in order to exclude students from higher education but rather to identify those who would benefit from further development of their ability in order to undertake their degree studies successfully The volume also aims to bring the innovative solutions designed by South African educators to a wider international audience **Wildlife Abstracts** ,1976 **The Saturday Review of Politics, Literature, Science and Art** ,1927 *The South African Mechanical Engineer* ,1992 *Advances of Computational Fluid Dynamics in Nuclear Reactor Design and Safety Assessment* Jyeshtharaj Joshi,Arun K. Nayak,2019-06-11 Advances of

Computational Fluid Dynamics in Nuclear Reactor Design and Safety Assessment presents the latest computational fluid dynamic technologies It includes an evaluation of safety systems for reactors using CFD and their design the modeling of Severe Accident Phenomena Using CFD Model Development for Two phase Flows and Applications for Sodium and Molten Salt Reactor Designs Editors Joshi and Nayak have an invaluable wealth of experience that enables them to comment on the development of CFD models the technologies currently in practice and the future of CFD in nuclear reactors Readers will find a thematic discussion on each aspect of CFD applications for the design and safety assessment of Gen II to Gen IV reactor concepts that will help them develop cost reduction strategies for nuclear power plants *Regulations for External Students* University of London,1955 **Popular Struggles in South Africa** Robin Cohen,William Cobbett,2024-04-01 Popular Struggles or One Struggle Originally published in 1988 shortly after the miners strike in South Africa of 1987 this book begins with a strongly argued and seminal discussion of this question by William Cobbett and Robin Cohen The book had an urgency and relevance at its time of original publication but many of the themes it discusses remain as relevant today Nearly all the contributors were close to the sites of encounter and resistance they described but at the same time they and the editors place the individual cases within the historical context *Linguistics and Language Behavior Abstracts* ,2009 **Current Catalog** National Library of Medicine (U.S.),1993 First multi year cumulation covers six years 1965 70
