PROJECT

Positive Charge social media campaign

SCOPE

Social media campaign budget review

OBJECTIVES

Determine if we stayed on budget.

Identify where we can save money.

STAKEHOLDERS

Positive Charge marketing team and executives

WHAT DID WE EXPECT TO HAPPEN?

We expected to stay within a \$9000 per month budget for our social media campaign.

WHAT HAPPENED?

We stayed within budget during the first month of the quarter.

We were \$1000 over budget in the second month and \$2000 over in the last month.

WHAT WENT WELL AND WHY?

We stayed within budget for the first month because our market estimates were correct.

WHAT AND HOW CAN WE IMPROVE?

We need to factor in the rising costs of advertising on social media platforms due to inflation and other factors.

We will anticipate cost increases by increasing our budget.

CONCLUSION

We need to be more flexible with our budget and anticipate rising costs.

ACTION PLAN

Propose budgets for different social media campaign cost estimates each quarter.

THE SWAT CYCLOPEDIA Richard A. Haynes, 1999-01-01 As SWAT has become more established within the police community a certain language and jargon has also evolved with it THE SWAT CYCLOPEDIA has been developed as a basic reference for this terminology as well as other state of the art information associated with the police special weapons and tactics function Within this source is a wide range of technical data pertaining to the tactical topics of training equipment deployment operational strategies slang quotes helpful hints and historical details along with scores of other informative features So that a more comprehensive understanding of the world of SWAT can be obtained such topics as counter terrorism domestic terrorism and international terrorism have also been included In order to make the book more useful many of the terms in the text have been cross referenced It will be of interest to police officers assigned to a SWAT team as well as to those individuals who are interested in tactical response operations and what is involved in this law enforcement function The manual encompasses certain administrative considerations that pertain to the organization and management of an agency s SWAT program and therefore it is also designed to provide particular assistance to the tactical commander seeking solutions or to the law enforcement executive who may be planning the incorporation of a special weapons and tactics unit within his or her agency

The Lost Sons of Omaha Joe Sexton, 2023-05-09 A NEW YORKER BEST BOOK OF 2023 A meticulously researched and briskly written account that deftly weaves the influences of racial injustice economic disparity incendiary social media and guns Associated Press From the award winning journalist Bob Woodward calls one of the truly great reporters working today a searing account of two linked and tragic deaths stemming from the 2020 George Floyd protests that explores the complex political and racial mistrust and division of today s America One of the most superb testaments about the confusion despair and hopefully humility that frames our century that one could ever hope to read Hilton Als On May 30 2020 in Omaha Nebraska amid the protests that rocked our nation after George Floyd s death at the hands of police thirty eight year old white bar owner and Marine veteran Jake Gardner fatally shot James Scurlock a twenty two year old Black protestor and young father What followed were two investigations of Scurlock s death one conducted by the white county attorney Don Kleine who concluded that Gardner had legally acted in self defense and released him without a trial and a second grand jury inquiry conducted by Black special prosecutor Fred Franklin that indicted Gardner for manslaughter Days after the indictment Gardner killed himself with a single bullet to the head The deaths of both Scurlock and Gardner gave rise to a toxic brew of misinformation false claims and competing political agendas The two men each with their own complicated backgrounds were turned into caricatures The twin tragedies amounted to an ugly and heartbreaking reflection of a painfully divided country Here Joe Sexton elevates a made for social media tragedy into a kaleidoscopic account of race justice and urban politics The New York Times Book Review masterfully unpacking the whole twisted nearly unbelievable chronicle and explaining which claims were true and which distorted or simply false A book of intense moral

weight and integrity The Washington Post The Lost Sons of Omaha involves some of the most pressing issues facing America today including our country's broken criminal justice system the failure to care for the men and women who fight our wars the dangerous spread of misinformation particularly on social media and the urgent need to band together in the collective pursuit of truth fairness and healing

The Marine Corps Gazette, 1962 Problem-oriented Policing Michael S. Scott, 2000 *Police Militarization* Scott W. Phillips, 2018-06-12 The increased militarization of the police in the United States has been a topic of controversy for decades brought to the public eye in notable events such as the Los Angeles Police Department's use of battering rams in the 1980s and the siege of the Weaver family at Ruby Ridge Idaho in the 1990s among others The issue of police militarism has been back at the forefront of criminal justice policy discussions in the wake of the militaristic police response to the protests that took place after the fatal shooting of Michael Brown by a police officer in Ferguson Missouri in 2014 This book examines the issue of militarization in a post Ferguson environment from the perspective of those inside policing Drawing from a variety of data including historical analysis of newspaper articles to examine the use of firearms in policing original data from police respondents attending the Federal Bureau of Investigation's National Academy in Quantico Virginia interviews with police chiefs and tactical officers regarding their direct experiences and a sample of National Academy attendees reporting on the deployment of patrol rifles in policing this work provides a nuanced look at police militarization that will inform future conceptual discussions and empirical research into the phenomenon Considerations identified for police policy makers include politics media leadership and marketing These themes are explored in detail suggesting multiple dimensions both theoretical and empirical to better understand policing and policy making this book an excellent resource for students scholars and professionals in law enforcement political science and public administration
